WE ARE SO PROUD OF OUR
WONDERFUL YEAR 6 PUPILS!

COLLABORATIVE ART! This term, our Year 4 pupils have worked with their Year 6 art buddies on a collaborative piece of artwork inspired by Folk Art from Mexico, India and Africa. Not only were the Year 6 pupils able to share their art skills but they also found that they were able to learn from the talented artists in Year 4. A great morning of sharing great ideas and working together in harmony to create a wonderful outcome.

ART ON SHOW! Throughout the corridors of the school, examples of art created by pupils from Year 3, 4, 5 and 6 can be seen taking pride of place. Art inspired by Year 6 science work on microorganisms, Folk Art from Mexico, India and Africa and The Great Wave off Kanagawa by Japanese artist, Hokusai. A wonderful celebration of line, colour, shape, form, space, and texture. Watch this space for more creative masterpieces to share!

BINGO

EYES DOWN! It was a full house at the village hall last week with, what seemed like, the whole school community packed into one space to take part in one of our first main fund raising events since covid took over our lives. With so many yummy treats to win (thanks to all your generous donations) there was plenty to go around and no one left empty handed. A big thank you to our fabulous FOPS team for organising this very popular event. Over £500 was raised at this fun night! Thank you all for coming along to support the school and enjoy an evening of fun and laughter together. Watch this space for more exciting events coming up!

THE AWE AND WONDER OF NATURE! KS1 have been busy hunting for bugs and finding them in the most unusual places. Armed with magnifying glasses, they looked under logs and pots and studied what might be also living on everyday items left outside on the grass. Even the mini-beasts in the pond received a visit from our curious budding scientists. Who needs an ipad when you have the natural world outside your classroom door!

LOVING SPORT! Below are our Year 6 Touch Rugby Team and our Year 4 pupils who took part in the Quad Kids Sports activity event at Penryn College. The BEFORE and AFTER pictures sum up how much our pupils enjoy taking part as a team. Thank you to Mr Tucker, Head of PE at Penryn College, for spending an afternoon with our Year 6 pupils to give them a taster rugby session to help them prepare for the touch rugby event.

STAFF SUCCESSES!

Indeed, it's not just the children that celebrate with medals, two of our staff members completed a 10km run this week as part of the 2022 Summer Sessions. Well done ladies! You should feel very proud of your achievement.
