

Netball Tournament 18th March 2026

It was a fantastic event at Truro Highschool For Girls on Wednesday 18th March 2026, with these ten girls representing themselves and the school so well! We had five tough matches in the first round and it was impressive to see the team develop their skills and teamwork over the course of those matches. Their confidence grew as did their passing, intercepting, defensive tactics and shooting abilities. They qualified for the 'bowl round' and won that event in the afternoon. I felt very lucky to spend the day with a squad of girls who supported each other so well.

Starlings T1 rugby sessions.

Starlings have continued to impress myself and Mrs S, as their rugby skills improve week by week! This week, they combined their passing skills, and focussed on moving forwards with the ball whilst staying behind the ball carrier. They focussed on developing the rip and pass used them in mini tag games. They have developed these skills really well. Well done Starlings!

Girl's year 3 and 4 football club.

COOSE TRANNACK CROSS COUNTRY RACES

On Saturday, Mrs Nicholson and I were lucky enough to travel down to Coose Trannack to support Perran-ar-Worthal children whose enthusiasm for cross country never fades! Well done to all runners! Thank you to all parents for the photos!
