

**N****NEWSLETTER****21st June 2019**

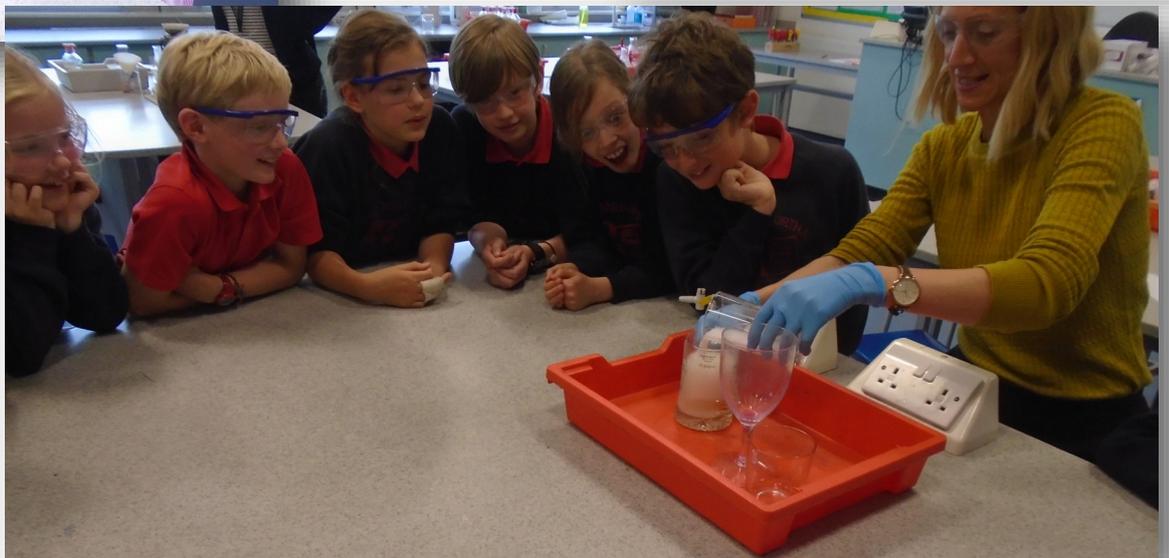

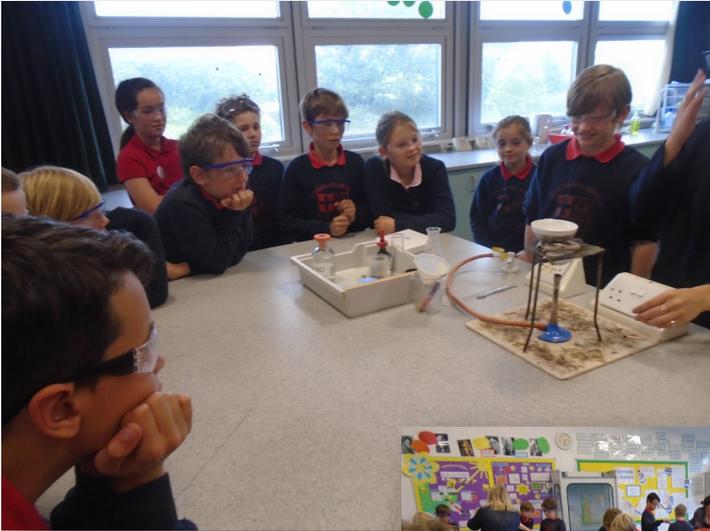

This week's focus was on **ENTHUSIASM**

**PLEASE HELP US TO KEEP YOUR CHILDREN SAFE!**

This week, a meeting was held with several representatives from the community, including our premises governor and Chair, to discuss ideas for how we can best tackle the increasing problem with traffic and parking outside the school during the busiest times of the day. Several excellent suggestions were put forward and we are aiming to trial some of these ideas over the next few weeks. As you are aware our school is continuing to grow and inevitably this is having further impact on the traffic and parking problems. As such, we want to work with the community to address this issue and make our roads and parking safer for all pedestrians.

**SCIENTISTS IN THE MAKING**—This week, our Year 5 pupils had the opportunity to spend the afternoon being scientists in the science labs at Penryn College. The pupils were given the opportunity to investigate how to separate solids from liquids and how to carry out an experiment to show reversible and irreversible changes in matter. The highlight seemed to be the wearing of safety glasses! A big thank you to the staff at Penryn College for giving so generously of their time. A great experience for all the pupils!

**YEAR 4 SURF AND SLEEP!** What a fabulous day with fabulous children! A big thank you to all the staff involved in making the day so special.

CHILLIN' BACK AT SCHOOL AFTER A BUSY DAY OF SURFING!

A BIG THANK YOU TO  
MASTER CHEF RAWLINGS  
WHO WAS ON THE CASE  
WITH A FABULOUS  
BOLOGNESE! YUMMY!

AND THEN IT WAS BEDTIME....WELL.....SORT OF!

## STOP PRESS:

### **FULLY EQUIPED! Perran-ar-Worthal receive free Premier League Primary Stars football kit this term.**

Pupils from Perran-ar-Worthal will be sporting their new colours with pride, after receiving their free Premier League Primary Stars kit for their football team. Stocked full of items including 15 football shirts, shorts and socks, the Premier League equipment pack will aid teacher delivery of active lessons across the curriculum.

The equipment pack was awarded to pupils at Perran-ar-Worthal following Mr Teasdale's successful application for this year's Premier League Primary Stars Kit and Equipment Scheme, which is delivered by the Football Foundation.

The scheme is part of the Premier League Primary Stars education programme which uses the appeal of Premier League and professional football clubs to inspire children at primary schools across England and Wales to learn, be active and develop important life skills.

PLPrimaryStars.com offers primary school teachers free curriculum-linked resources in English, Maths, PE and PSHE, and opportunities for schools to enter competitions and access free offers like the Premier League Primary Stars Kit and Equipment scheme.

Nick Prichard, Head of Community at the Premier League said: "The Premier League Primary Stars kit and equipment packs have been extremely well-received in the past and will provide a very welcome boost as we approach the end of the school year. We hope that coupled with the free downloadable online resources, we can inspire children to do their best in the classroom and on the sports field." Mr Teasdale, P.E. coordinator, was quotes to have said: "We are delighted to embark on this partnership with the Premier League: Primary Stars initiative. The kit looks amazing and will provide the footballers with a professional image that they will feel proud of. We are constantly increasing participation levels in all sports and this kit will help in the endeavour."

Mr Teasdale is delighted to announce that Perran-ar-Worthal School has achieved the School Games Gold Level Mark Award for the 2018/19 academic year! The School Games Mark is a Government led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success. This Gold Award would not have been possible if it wasn't for the amazing children that we have at Perran-ar-Worthal – thanks everyone!

**PERRAN-AR-WORTHAL'S NEWLY APPOINTED ASSISTANT HEAD!** - We are delighted to announce that Mr Teasdale has been promoted to Assistant Headteacher at Perran-ar-Worthal School and will be joining Headteacher, Rachel Heffer and Deputy Headteacher, Hannah Pallot, on the Leadership Team as from September 2019. As Assistant Headteacher Mr Teasdale will take on the role of Raising Standards Lead. We are excited about the future development of Perran-ar-Worthal School and look forward to working together as a growing leadership team to ensure our shared vision is realised. Congratulations Mr T!
