VERY MOMENT MATTERS!

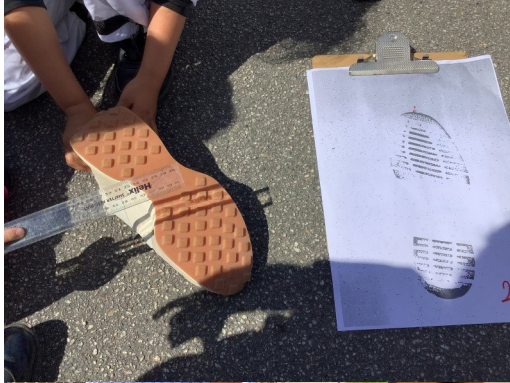

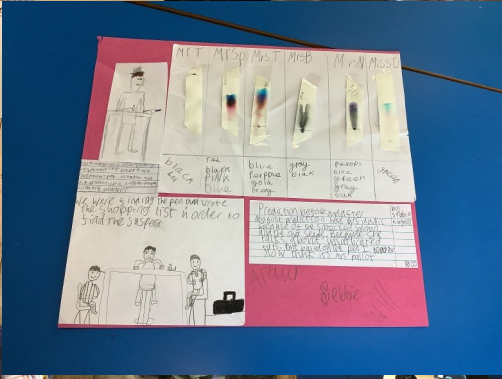

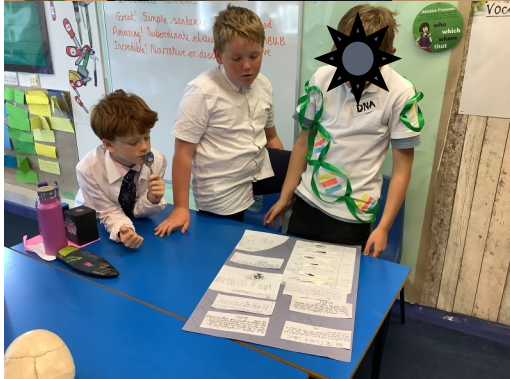

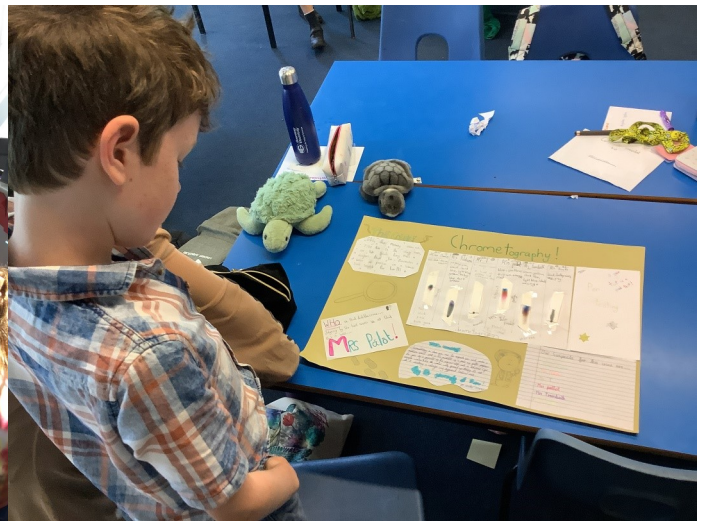

Science Day was AAAMAAZIING! Mrs Royle outdid herself this year with the most incredible day planned for all our pupils and staff. To start the day with a crime scene and end the day with 'almost' an arrest, was the most fun filled day EVER! The children were set the task to work scientifically using a range of resources available to them. By the end of the day, finger prints had been collected, DNA had been extracted, plaster of paris moulds of footprints had been taken and so much more. But who took the box of sweets from Mrs Heffer's office? Perhaps the children have already told you? The day was made that extra special with the fantastic science fair created by our Yr6 pupils and visited by every child in the school. With the dress code for the day being 'something or someone of science' it certainly would have 'delighted' any Ofsted Inspector who dared to enter! This is what we believe great learning is all about—memorable, engaging, inspiring, interactive and, most importantly, FUN!

A huge thank you and well done to all our amazing Yr6 pupils for creating and running the amazing science fair and to all the children and staff for entering in to the spirit of the day. Thank you Mrs Royle for leading the way and always championing science! We loved it! We hope you enjoy some of the photographs that may give you a flavour of the day's events.

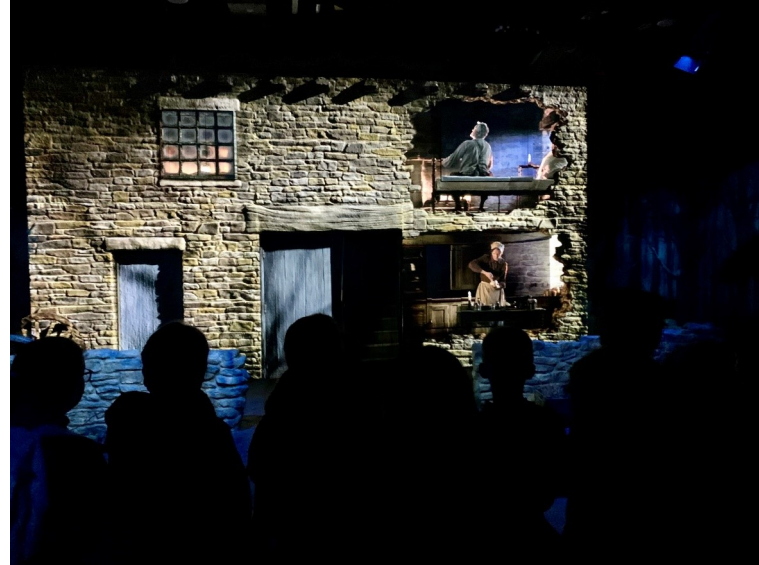

So, whose footprint was found at the crime scene? Whose strand of hair was discovered? Whose fingerprints were lifted from the sweet box? All the evidence was pointing to...

THE CONCLUSION
After looking at all of the evidence and running some tests, our most likely culprit is...
Mrs Pallot!!!

THE YEAR 6 PUPILS WERE SENT TO BODMIN JAIL? What is going on?

As part of their Every Visit Matters programme, Swifts visited Bodmin Jail during their Crime and Punishment unit of work in History. The immersive experience allowed the children to explore life inside during the Georgian and Victorian eras. Another history focused memorable trip for our pupils—a great way to learn about the past!

Plant Sale for Water Aid and the Growzone

Thank you so much for your incredibly generous donations of plants and purchases at the sale. Well done to our Swifts for setting up and running the stall; along with Kim and Aubrey Dodge who volunteered out of school hours and supported the sale.

We have raised over £170 so far, for Water Aid and the Growzone!

Here's hoping for optimum growing conditions and a successful harvest!

Mrs Rolleston

Quad kids Year 3 and 4: 7th June 2024

Perran-ar-Worthal took part in the Peninsula Athletics at Carn Brae on Friday 7th June 2024. Four students from year 3 and four from year 4 travelled to the athletics track to compete in a 400 metre run, a 50m sprint, a throw for distance and a standing long jump.

Lucy Szepietowska kindly transported the team to the event and was incredibly impressed with how the children supported each other. One quote from one of the students epitomised their positive attitude; 'It doesn't matter what anyone else can do ... you just do the best you can do'. One student also gave the team a powerful motivational talk. They all ran the 400m with enormous resilience and came back to school with huge proud smiles.

These photos say it all. Well done each and every one of you! You made yourselves and the school extremely proud. Thank you so much to Lucy for representing Perran-ar-Worthal. Well done to all 8 athletes.

TEAM POINT CERTIFICATE WINNERS 23rd May 2024

BRONZE CERTIFICATE – 50 TEAM POINTS

Year 1: Florence

Year 4: Jocelyn

SILVER CERTIFICATE – 100 TEAM POINTS

Year 6: Summer

***PLEASE NOTE CHANGE OF DATE FOR YEAR 4 SURF AND SLEEP**

**** PLEASE NOTE ADDITIONAL DATES ADDED**

Thank you for your support!

We would like to thank you for all your support with the earlier start time to the day. We have been very impressed with how the children have quickly adapted to the slight change in the morning timetable. Having registration at 8.45am, has enabled us to have our daily whole school assemblies at 8.50am, which has ensured a calm and thoughtful start to each day. By 9.05am each morning, all the children are back in their classrooms ready to learn.

You may have noticed that our hand bell has been used as a 2 minute warning to let parents know the classroom doors will be closing. As classroom clocks/watches can vary slightly, we have decided to re-introducing the school's electronic bell to ensure a more accurate 8.43am warning bell. We are hoping to get the electronic bell system up and running this week.

Thank you once again for getting your children to school on time.
