

This week's focus has been **COURAGE**

A BUSY WEEK OF QUIZZES AND TESTING! - But still the children at Perran-ar-Worthal School have continued to smile and have fun! We are so very proud of the way in which our Year 2 and Year 6 children have approached a very busy week of doing what Mrs Teasdale calls 'fun quizzes' - which the children have seemed to love! However, we are also very proud of other skills our pupils show us every day that testing cannot measure.

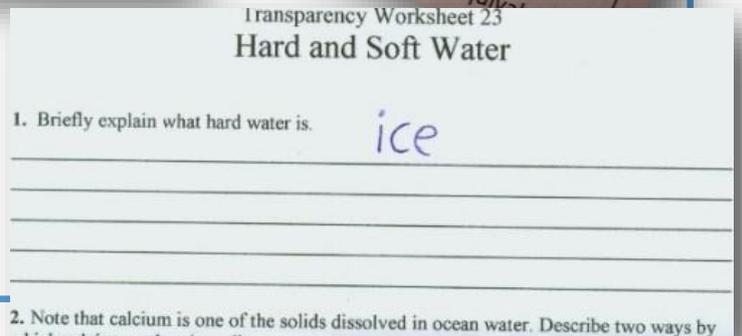

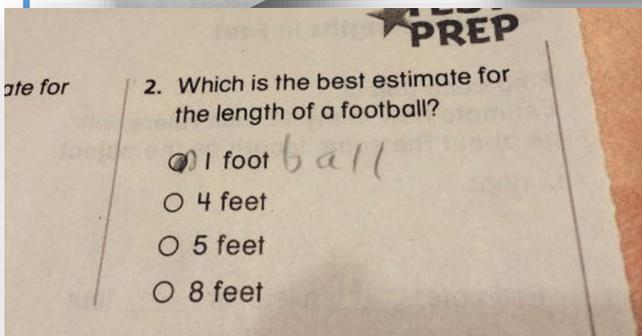

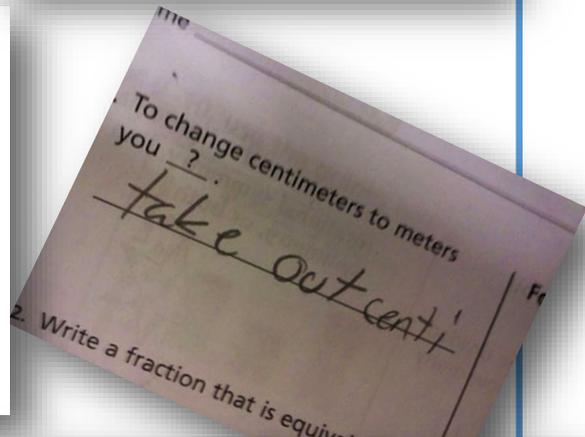

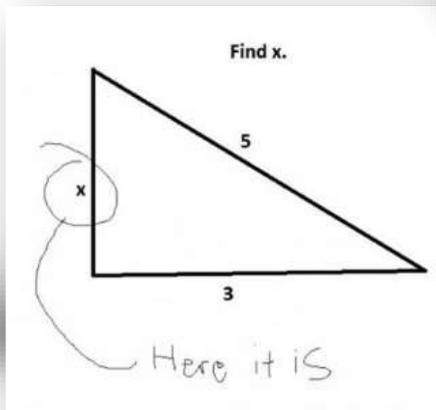

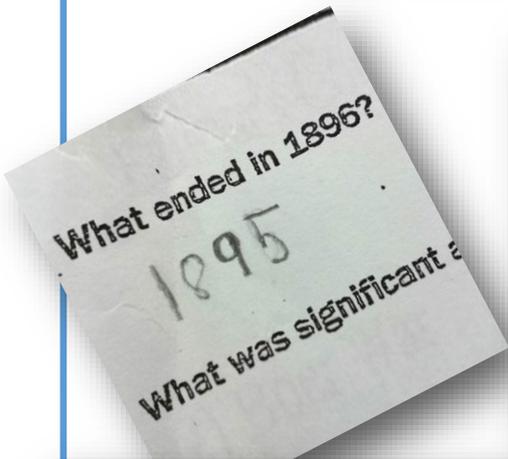

"What lies behind us and what lies before us are tiny matters compared to what lies within us."

- Ralph Waldo Emerson

Qualities that a test can't measure...

WHEN A CHILD'S LOGIC MAKES PERFECT SENSE!

AND THEN THERE'S THE POST TESTING PARTY! - Our wonderful Year 6 let their hair down, making pizzas for their lunch before being taken for an afternoon of lazer tag fun at Bombadingas! A well earned treat for a hard working group of pupils now nearing the end of their time as primary school children at Perran-ar-Worthal School.

MAKING A DIFFERENCE! - Four of our Perran-ar-Worthal parents are taking part in the 'classic quarter' ultra marathon, running as a relay team from Lizard point to Lands End along the coast path, on June 8th. We would like to encourage you to give them your support for a very worthy cause. They will be completing this relay event in memory of a dear friend and loved member of our close Perran-ar-Worthal Community and raising money for two Royal Cornwall Hospital Charities.

Please use the link below to find out more about how you can support. We wish them all the very best for a very successful fund raiser event.

Governor Update

Although there have been no governor monitoring visits this term, there have been several meetings with governors in school to discuss the development of the outdoor space with Tamsin Benner and Ben Teasdale and implementation plans are well in hand.

Governors have also been involved in school visits and discussions about traffic congestion at dropping off time and ways to tackle this problem.

The regular sequence of meetings have taken place which were all well attended with full and constructive contributions from all of the governors .

We were all sorry to have to say goodbye to Lynne Spencer our staff governor but sent her off with greatest good wishes at our meeting this week and all shared delicious cake !

Governors had the proposal from Mrs Heffer for the restructuring of classes from both the organisational and financial standpoints and were pleased to support this innovative and positive development for the school.

The whole board governors will be undertaking training on the new Ofsted framework in the new term and also taking up the opportunity for DfE funded online training on a range of key skill areas .

Val Royston

5th April 2019

TEAM POINT CERTIFICATE WINNERS

SILVER CERTIFICATE WINNERS – 100 TEAM POINTS
