

**A NOTE FROM MRS HEFFER**

**This week's virtue has been 'COMMITMENT'**

Although it has been a slightly shorter school week than normal, so much has been going on!

**BAKING SUCCESS!** – Following an afternoon of cooking pork and apple pasties and scones for the McDougalls Young Baking Team of the Year 2017, Rosie Lawrence, Charlie Long and Charlotte Best have been shortlisted to have a chance to go through to the next stage of the competition. Mrs Dunn was delighted to receive an email from the organisers this week where they have invited our team from Perran-Ar-Worthal Primary School to participate in the live final at LACA to bake their way to the top spot! The live final is planned to take place on Thursday, 6<sup>th</sup> July in Birmingham where the team will need to bake under timed conditions under the watchful eye of a live audience and studio cameras...a very exciting opportunity! The team now need to make the decision as to whether they wish to take part in this event. We will update you on their progress. In addition to this very exciting news, over the next four weeks the Year 6 pupils are taking part in an in-school Bake Off Competition. Each week, Mrs Dunn is supervising a different group of four pupils baking their own take on muffins. All pupils must design their own muffin recipe and bring the ingredients and carry out the baking in school. Each set of muffins are then voted on by the staff....clearly this involves tasting -YUM!...and marks are awarded for presentation, flavour and texture. The final result will be shared at the end of term and a shield awarded to the winner. We wish them all the very best!

**ANOTHER SAD FAREWELL TO TAKE PLACE THIS TERM!** – After many years of dedication, smiles and laughter, our lovely Mrs Read will be spending her final day as our much loved Perran-ar-Worthal School Secretary on Thursday, 29<sup>th</sup> June. Mrs Read has decided it is time for a change and will begin a new adventure on the 31<sup>st</sup> June. I am sure you will all appreciate how much she will be missed in the office by everyone. We wish Mrs Read all the very best and she has promised to keep in touch and pop back and see us from time to time. Miss Braddon will continue to be available in the office full time if you have any queries during the final few weeks of term.

**SCARLET FEVER!** – We would just like to inform you that a child in school has recently been diagnosed with scarlet fever. The likely signs of scarlet fever are headaches, feeling generally unwell and a red rash. If your child is showing any signs of this, a visit to the doctor is recommended where antibiotics will be necessary if scarlet fever is diagnosed.

**PARENTAL CONSULTATIONS** – Just to remind you that, if you have not signed up for your summer term parental consultation, please can we encourage you to do so as these meetings do give you the chance to find out more about how your child is progressing. During these meetings you will also get a chance to look at your child's books. For those children in Reception and Year 3, this is also an opportunity for teachers to talk to parents about which class their child is likely to be in as from September 2017. If you have been unable to get into school to sign up for an appointment, please feel free to contact the office where Miss Braddon will be

happy to make an appointment for you. As this is the final meeting of this academic year, the meeting reports you have received in the Spring and Autumn Terms will be replaced by the full end of year reports.

\*\*\*\*\***HAVE A LOVELY WEEKEND!**\*\*\*\*\*

**RAK CLUB NOMINATIONS:** Mrs Hocking has nominated Shannon Hennessy for offering to share her snack with another child when they dropped theirs on the floor.
