Perran-ar-Worthal School

Extra Uniform Information (continued)

- We expect all pupils to attend school with a suitable weather-proof coat when needed. Pupils will still have outdoor play in light rain.
- We stress the importance and actively encourage the wearing of sunhats or caps when deemed a safer option for outdoor play during hot weather.
- Up until Year 5 and 6, pupils only require a book bag, not a rucksack. Please ensure they only have one small keyring, if they wish to attach one.
- No additional stationery/pencil cases are needed as the school provides pupils with all necessary equipment.

Extra Uniform Information (continued)

- Please do not bring any toys into school. These can be distracting to children's learning.
- No personal electronic devices are allowed on site. If there is a good reason for a child to need a mobile phone for use after school, any device must be given to the teacher at the beginning of the day and stored safely until home time.
- Where a child has a medical need for a personal device, this will be part of an agreement through discussion with the parents e.g. Diabetes monitoring device.
- Where a child requires access to sensory equipment/tools/toys this must first be discussed with the SENCO, where there will be an agreement on appropriate use, if deemed necessary. If sensory equipment begins to impact negatively on a child's learning or causes distraction to others, the use of these tools may have to be reviewed.

We thank you for supporting your child to respect our school uniform expectations.

Healthy Eating

- KS1 pupils will be provided with a free healthy snack in school (fruit, vegetables)
- It is expected that packed lunches include a good range of healthy food choices
- Water only – no fruit juice or squash

We thank you for supporting your child to make healthy choices.

We are a nut free school.

Perran-ar-Worthal School

Mornings

- Doors open at 8:35
- Doors close at 8:45 (register)
- Assembly at 8:50

Please note: staff are not on duty on the playground before school and children should not be left unattended.

Please ensure your child does not use the playground equipment or Trim Trail before or after school.

Thank you for your support with ensuring your children are 'Ready, Respectful and Safe'.

Attendance

- **Lateness is monitored:** If your child arrives after 8.45am they will need to be signed in at the front office and recorded as late. Where regular lateness is recorded, you may be invited to attend a meeting to discuss how we can help you and your child to arrive in school on time.
- **Low attendance affects your child's progress and friendships:** Attendance below 95% is a cause for concern and is monitored by the school, the Educational Welfare Officer and the Local Authority. If you child's % attendance continues to fall, you may be invited to attend an attendance meeting where we can discuss how we can support you and your child to improve their attendance.
- **Holidays during term time:** All holidays will be recorded as unauthorised. As from September 2025 fines will be issued, as instructed by the Local Authority. The school has no choice but to carry out the expected procedure for fining parents for this reason. The school has been instructed to record all holiday absences on the Local Authority system. We ask that you support the school as well as your child's education by not taking holiday during term time.
- **Work with us:** Every child is entitled to a full-time education. We want to work with you to ensure they attend regularly and are in school on time every day so that they continue to thrive, make good progress and to ensure they maintain strong links with their friendship group.

Please refer to our Home/School Agreement, which can be found on our school website.

Reading

→Reading books (10 minutes per night)

→Sharing books (10 minutes per night)

This year, we are trialling not using Reading Records. Research suggests that these are counter-productive when instilling a love of reading in children. Our focus will remain on ensuring every child leaves our school reading for their own pleasure at their own level, so reading at home plays a huge role in that journey – thank you for your continued support.

Friday Book Club

We have started Monday and Friday morning Book Clubs in school this year which have proven to be a huge success amongst the children.

To continue this enthusiasm and excitement for reading, from September, we would like to invite parents / carers / grandparents etc. into school every Friday morning from 8.35am to 9.00am. During these sessions, you will be able to join in with your child's Book Club, reading to children or being read to by children.

A wonderful opportunity to celebrate reading and books.

Home learning

Each week your child will complete...

- → Daily 10 minutes reading
- → 10-15 minutes English
- → 10-15 minutes Maths
- → 10-15 minutes spelling rule practice (usually from October half term onwards)

Each term there is also a home learning challenge grid which children are expected to complete a minimum of 3 challenges.

Homework is set on Fridays and due in on Wednesdays. If your child doesn't understand the homework; please contact me before Monday.

Lunch

This must be pre ordered online through ParentPay.

Please be aware that if you have forgotten to order your child's lunch, they will only be offered a very limited choice of what is on offer on that day due to limited portions available to those who have ordered.

Please ring the office before 9:15 if you have had a problem ordering.

End of the day

- School finishes at 3:15
- Children will be brought to the classroom door by an adult
- If someone different is collecting your child, please ensure that the school is aware before the end of the day (either by phoning or sending a Dojo to the school office)
- If your child will be walking home unaccompanied by an adult, please ensure that you contact the school office to let the school know that your child has your permission to walk home unsupervised.
- Children attending wrap-around will be taken to the hall.
- Please contact the office if, due to unforeseen circumstances, you may not be able to get to school at 3.15pm to pick up your child.
- If a child is late being picked up on a regular basis, the school may find it necessary to charge for the first session of wrap-around.

Questions or Queries

Please either: make an appointment through the office, send me a message on Dojo or arrange to see me before or after school.
