

A NOTE FROM MRS HEFFER

**This week's virtue has been RESILIENCE:**

*"You never know how strong you are until being strong is the only choice you have." anon*

This week has been an extra busy week for our pupils with many classes deep in assessment tasks. We have been particularly impressed with our Year 6 pupils for completing their gruelling week of SATS with such good humour. Their attitude towards their testing has been one of perseverance and resilience. A little poem for our great kids! We are so proud of how hard you have worked but most of all, we are proud of who you are.

### **You Can Be Whatever You Want To Be!**

*by Donna Levine*

There is inside you  
All of the potential  
To be whatever you want to be;  
All of the energy  
To do whatever you want to do.  
Imagine yourself as you would like to be,  
Doing what you want to do,  
And each day, take one step  
Towards your dream.  
And though at times it may seem too  
difficult to continue,  
Hold on to your dream.  
One morning you will awake to find  
That you are the person you dreamed of,  
Doing what you wanted to do,  
Simply because you had the courage  
To believe in your potential  
And to hold on to your dream.

What more can I say....have a lovely weekend!

**Handbells:** Sadly, Janet Thomas has decided that she will no longer be running the Handbells Club on a Friday after school. We are sure that all of the children that have attended her club over the years would like to join us in thanking her for all of the hard work and enthusiasm that she has put in to the club. The children have thoroughly enjoyed playing the handbells on special occasions at school, and at the church. Thank you Janet. We will miss you and hope that you enjoy your well earned break.

**Thank you** for the donations of plants that have been generously given to our school garden from Janet and Mrs Mackrill. The garden is starting to fill up and our seedlings have been planted in the raised beds and borders. *Mrs Waters.*

**Trip to the cathedral:** On Tuesday, Kingfishers visited Truro Cathedral. It was a very interesting trip, one of the highlights being a solo performance by one of the choir members. A big thank you to Mrs Cunliffe, Mrs Bennett, Mrs Rowe and Mrs Best who helped us by driving to and from the Cathedral. *Mrs Waters*

**Art Club – request for clothes for a scarecrow:** We need a hat, belt, jumper, shirt and trousers for a scarecrow. Can anyone help? Thank you. *Mrs Trembath*

**Lunch money** – Some parents are sending money in daily – please may we remind you that Mrs Reeves only has time to deal with the finances on a Monday – and needs your help by you sending it in correctly. Please will you help her? Thank you.

### **Celebration Assembly:**

The following presentations were made in assembly today:
