

# Our Champion Hockey League team!

Spring Term 2026.

Huge congratulations to our hockey league team! They are unbeaten over the past 5 weeks! Their hockey skills developed further throughout every match. The team's ability to read the game, get into space to attack the goal and be ready to anticipate passes enabled them to attack more frequently than they needed to defend. Quick defensive play allowed the players to prevent many goals from the opposition. They worked as a solid team and played to their strengths. The team demonstrated quick passing, accurate blocks, clear communication and a determination to win the ball and shoot at the goal. It has been a brilliant league! Well done to all players! Thank you for your commitment to the league this term.

Miss Davies.
