

## **GOVERNING BODY OBJECTIVES 2021/22**

- **Completion of 3 to 5 year Strategic Plan**

Together with the Headteacher and Senior Leadership Team, we will finalise the work on our strategy for Perranarworthal School covering the next 3 to 5 years , share this with our stakeholders and publish on our website.

- **Governor Monitoring - roles and responsibilities.**

We will undertake a review and overhaul of our governor monitoring roles and responsibilities to ensure we are making the most effective use of our resources. These responsibilities and visits will provide corroboration of progress towards the School's School Improvement Plan and in turn the medium term strategy.

- **Ofsted readiness**

We will ensure that our board is appropriately prepared for an Ofsted inspection. In particular that each governor will have a clear understanding and knowledge of our school's strengths and weaknesses that they can articulate both in general and in the specific area for which they are responsible.

- **Triangulation/Corroboration/Challenge**

Each board member will contribute to evidencing that we question and gain ' quality reassurance' that the information placed before us in meetings, in reports, in data and on school visits accurately reflects performance.
