

A NOTE FROM MRS HEFFER

REMEMBRANCE - A week of remembrance this week! We were so very proud of the children this week with the way in which they showed their respect on 11th November when, as a whole school, we shared a 2 minute silence. During the morning, we were also visited by members of the British Legion who shared with us the good work that they do and reminded the children of why their work is so important. They also commented on how well the children listened and how impressed they were with the knowledge the children shared about the war and remembrance day. Year 6 also shared their own research and thoughts about the war. It certainly was a day that the whole school came together to remember. Thank you to all!

REPORTING TO PARENTS - Parental consultations have now almost come to an end. We hope that you have found these meetings beneficial and they have given you an insight into your child's progress and what they need to work on to progress further. Please do not hesitate to let your child's teacher know if you have any further questions. I would like to thank the teachers for their time given to these meetings.

SWIMMING - On Friday, we took a year 5 and 6 swimming squad to compete against several others schools in our Penryn cluster. It was without doubt, a very exciting and rather 'noisy' afternoon with many successes. Our children showed excellent team spirit and performed to the best of their ability gaining several medals. They were all clearly very pleased with their performance and we were very proud of their achievements. Well done to all! Many thanks also to the patience of the parents due to the late finish. A contingency plan for returning late back to school due to unforeseen circumstance will be put in place for future events. We very much appreciate your continued support at these events.

SPACE ODYSSEY – the space dome will be 'landing' in our school hall on Tuesday, 18th November. All pupils will get the opportunity to enjoy this amazing experience. Those pupils who have experienced this a few years ago will be delighted to find that the presenter has updated and added many new aspects to the show. Indeed, we felt that this was such an opportunity not to be missed, we are inviting adults to a viewing from 2.30 to 3.30pm. If you do wish to take advantage of this offer, please see Mrs Read in the office. The cost of entry for an adult is £3.50 and a crèche will be available from 3pm for the children of parents wanting to 'enter the dome'! As the dome will be placed in our hall, multi-skills club will not be taking place but Mr Prendergast and Mrs Brooks will be happy to have the multi-skills children in the library until the usual end of club pick up time.

Let's hope the weekend brings some dry weather.

Royal British Legion Poppy Appeal

A big thank you to everyone who has supported the appeal this year. The wristbands have certainly been popular as we had to ring and ask for more on several occasions.

A special thank you to year 6, Miss Braddon and Mrs Read for helping with the poppy box. Year 6 did a sterling job taking it round to each class on a regular basis. It has been very successful in raising awareness of the appeal to the children in this special centenary year. Mrs Waters.

Lost 'Hello Kitty' black bag with swimming kit in (left in main reception area on Monday). Has anyone accidentally picked it up?

Note re change to lunch menu week beginning 8th December: As Christmas lunch is on a Thursday – children will be offered the Thursday menu on the Wednesday.
