New Service
From 3 August 2026, Cornwall's new Multi-Agency Support and Safeguarding Hub (MASSH) will become the integrated point of access for children's support and safeguarding services.

Advice and Guidance
If you are unsure what support is needed call MASSH on 0300 123 1116 for advice.

Integrated Service
The launch of MASSH brings together the existing Early Help Hub and Multi-Agency Referral Unit (MARU) into one integrated service and will be a single point of access for help, support and protection.

Services
Safeguarding concerns about a child
Family Help. This includes: youth work;
family support work;
Supporting Change in Partnership (SCIP);
Early Support; Portage
Child exploitation
Private Fostering notifications
Occupational Therapy

Why?
MASSH will provide a single point of access, providing earlier, more coordinated support, ensuring families receive the right help at the right time. The MASSH will respond to children enabling earlier support, stronger multi-agency decision making and a seamless journey for families across the continuum of need.
