

## DRAFT SCHOOL IMPROVEMENT OBJECTIVES 2022-2023

### 1. OVERALL EFFECTIVENESS

**Objective: Data to show continued improvement in standards.**

- Increase % EXS and GDS in writing and SPAG in KS1 and KS2
- Improve opportunities for pupils to evidence GDS standard in foundation subjects.
- Data driven targets: to be finalized when data has been collated
- The school needs to increase the percentage of boys achieving expected or above in writing, particularly in Year 4 and Year 6.
- The school needs to increase the percentage of boys achieving expected or above in reading, writing and maths in Year 1.
- The school needs to increase the percentage of girls achieving expected or above in reading in Year 1.

### 2. QUALITY OF EDUCATION

**Objective: Raise standards through an accessible progressive and exciting curriculum that develops the whole child and helps prepare them for the world of work.**

- Cultural Capital: increase use of outdoor space and local field trip opportunities to enhance curriculum delivery of all subjects; An experienced based curriculum that draws off the locality.
- Skills Based Curriculum: improve links between curriculum and careers through work with primary careers hub
- Cornish Identity: improve awareness and appreciation of Cornwall and its language.
- The school is currently developing a more ambitious depth of understanding in some areas of the foundation subjects through a question based curriculum. Although this is now being implemented across the school, it is not fully embedded as yet.
- The school needs to increase % of pupils attaining expected or above in reading and writing in Year 1 to ensure they are more in line with national average.

### 3. BEHAVIOUR AND ATTITUDES

**Objective: Raise Standards through targeted support for pupils with low self-esteem.**

- Improve resilience of all pupils.
- The school needs to increase pupil awareness of equality and treating each other with respect with a deeper understanding of supporting the self-esteem of their peers.

#### 4. PERSONAL DEVELOPMENT

**Objective: Raise Standards through improving personal ambitions to achieve individual goals.**

- Careers and Enterprise: Increase involvement of parents and local companies to improve career-related learning opportunities for pupils. Make links with other schools.
- Further develop the curriculum so that equality and diversity is mapped more explicitly across all curriculum areas and pupils' awareness is reinforced through clear examples and experiences.

#### 5. LEADERSHIP AND MANAGEMENT

**Objective: Raise Standards through increasing the involvement of all stake holders and development of specific roles**

- Community links: increase the involvement of parents and members of the community through sharing expertise and knowledge with pupils as part of our planned curriculum
- Development of Buildings: improve the learning space for pupils through carefully managed and appropriately targeted use of available funding
- Staff Development: improve staff mentoring skills and create an internal mentoring buddy system through the LA pilot programme.
- Wrap Around: improve the level of support for parents through offering a well-managed and accessible before and after school provision.
- Increase pupil engagement in supporting the local community.
- Increase schools' links with employers and local industry.

#### 6. THE QUALITY OF EARLY YEARS FOUNDATION IN SCHOOLS

**Objective: Raise standards through targeted intervention and parental involvement, including training.**

- Parental Involvement: Increase parental awareness and involvement in pupil learning and development with particular emphasis on speech and language and phonics.
- Governor Awareness: Increase understanding of EYFS Framework, early phonics and assessment.
- Close gender gap in Literacy, Communication & Language and Physical Development, whilst also taking in to account pupils with SEND
