**E**

VERY MOMENT MATTERS!

This week's focus was on **COMMITMENT AND DEDICATION**

Dedication and commitment are
what transfer dreams into
realities

- Unknown

Last week no less than 28 children from Perran-ar-Worthal entered a Cross Country event at the Chanel 4 Pitch in Falmouth. All children from years 4, 5 and 6 had to tackle a tough course that tested their endurance. With roughly 80 children entering each race, each one of the PAW children showed tremendous perseverance to finish in decent positions.

Four of the children received medals for finishing in the top 3 in their respective races. The Year 5 Girls race had Perran-ar-Worthal children finishing in spots 1, 2 and 3!

A special thank you to all of the parents who attended the event. Without those parents, the children would not have been able to attend.

A huge well done to all who took part!

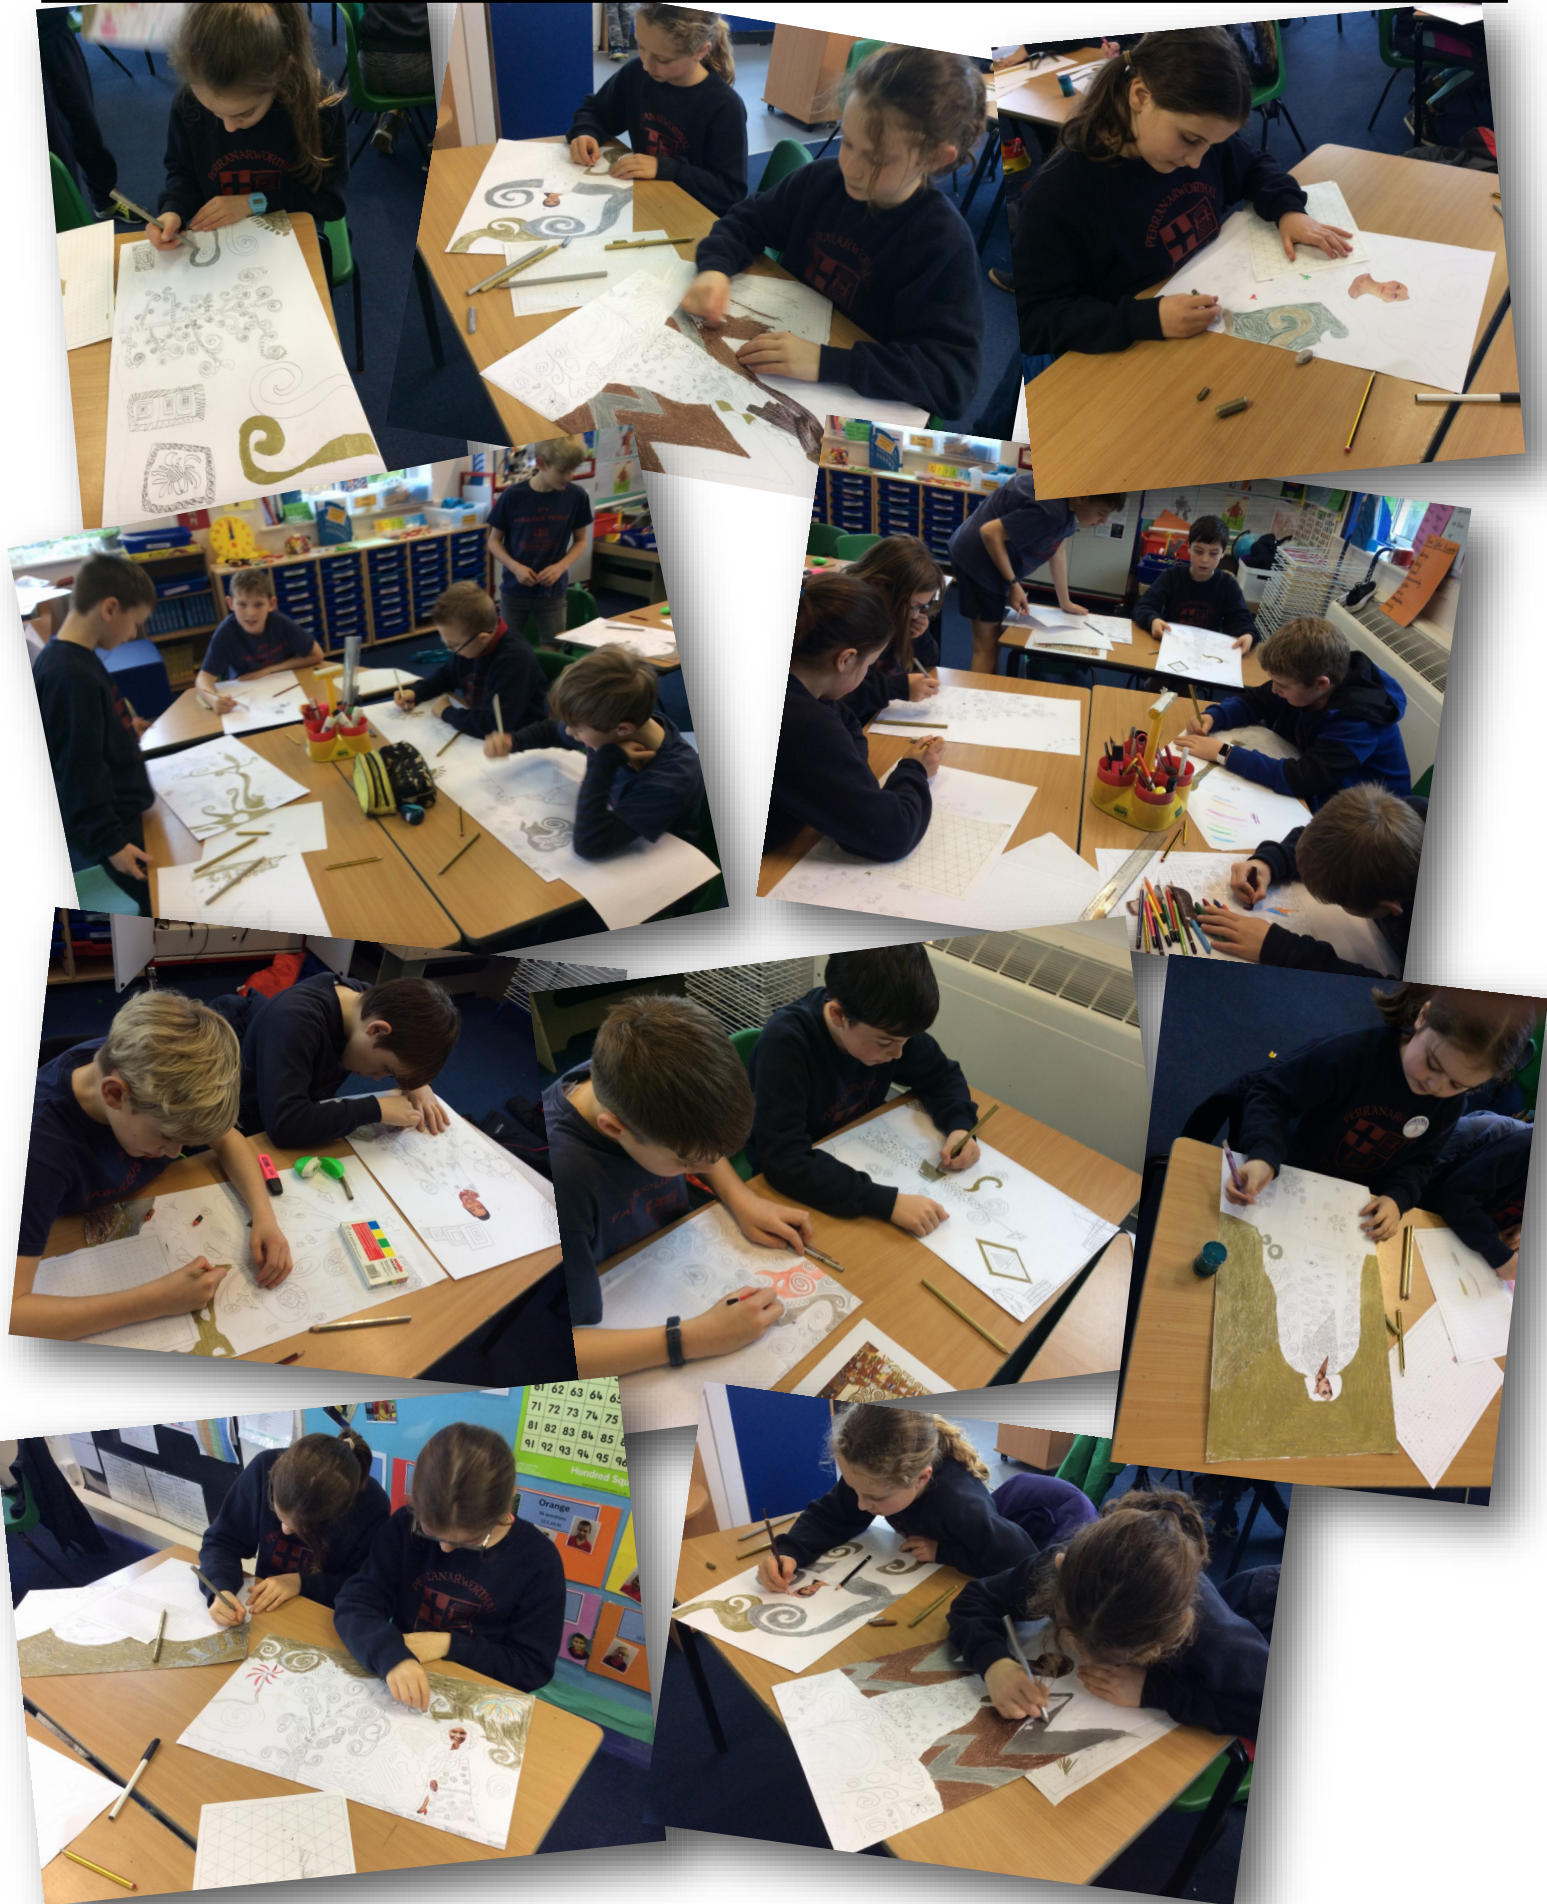

**We LOVE our Trim Trail!
Thank you FOPS!**

You could have heard a pin drop on entering the creative atmosphere of the Year 5 Art Lesson on Friday! Every child was totally immersed in their study of Gustave Klimt, creating their own work of art based on the style of this Viennese artist. The Year 5 are currently studying Eastern Europe in their Geography Lessons and spent some time discussing the links between the work they were covering in both subjects. What a great way to give purpose to your studies! Impressive results of their hard work will be displayed around the school.

Our Puffins spending time learning outdoors using natural resources—collecting, sorting and investigating nature's delights! A wonderful way to develop their skills and finding out more about the world around them.

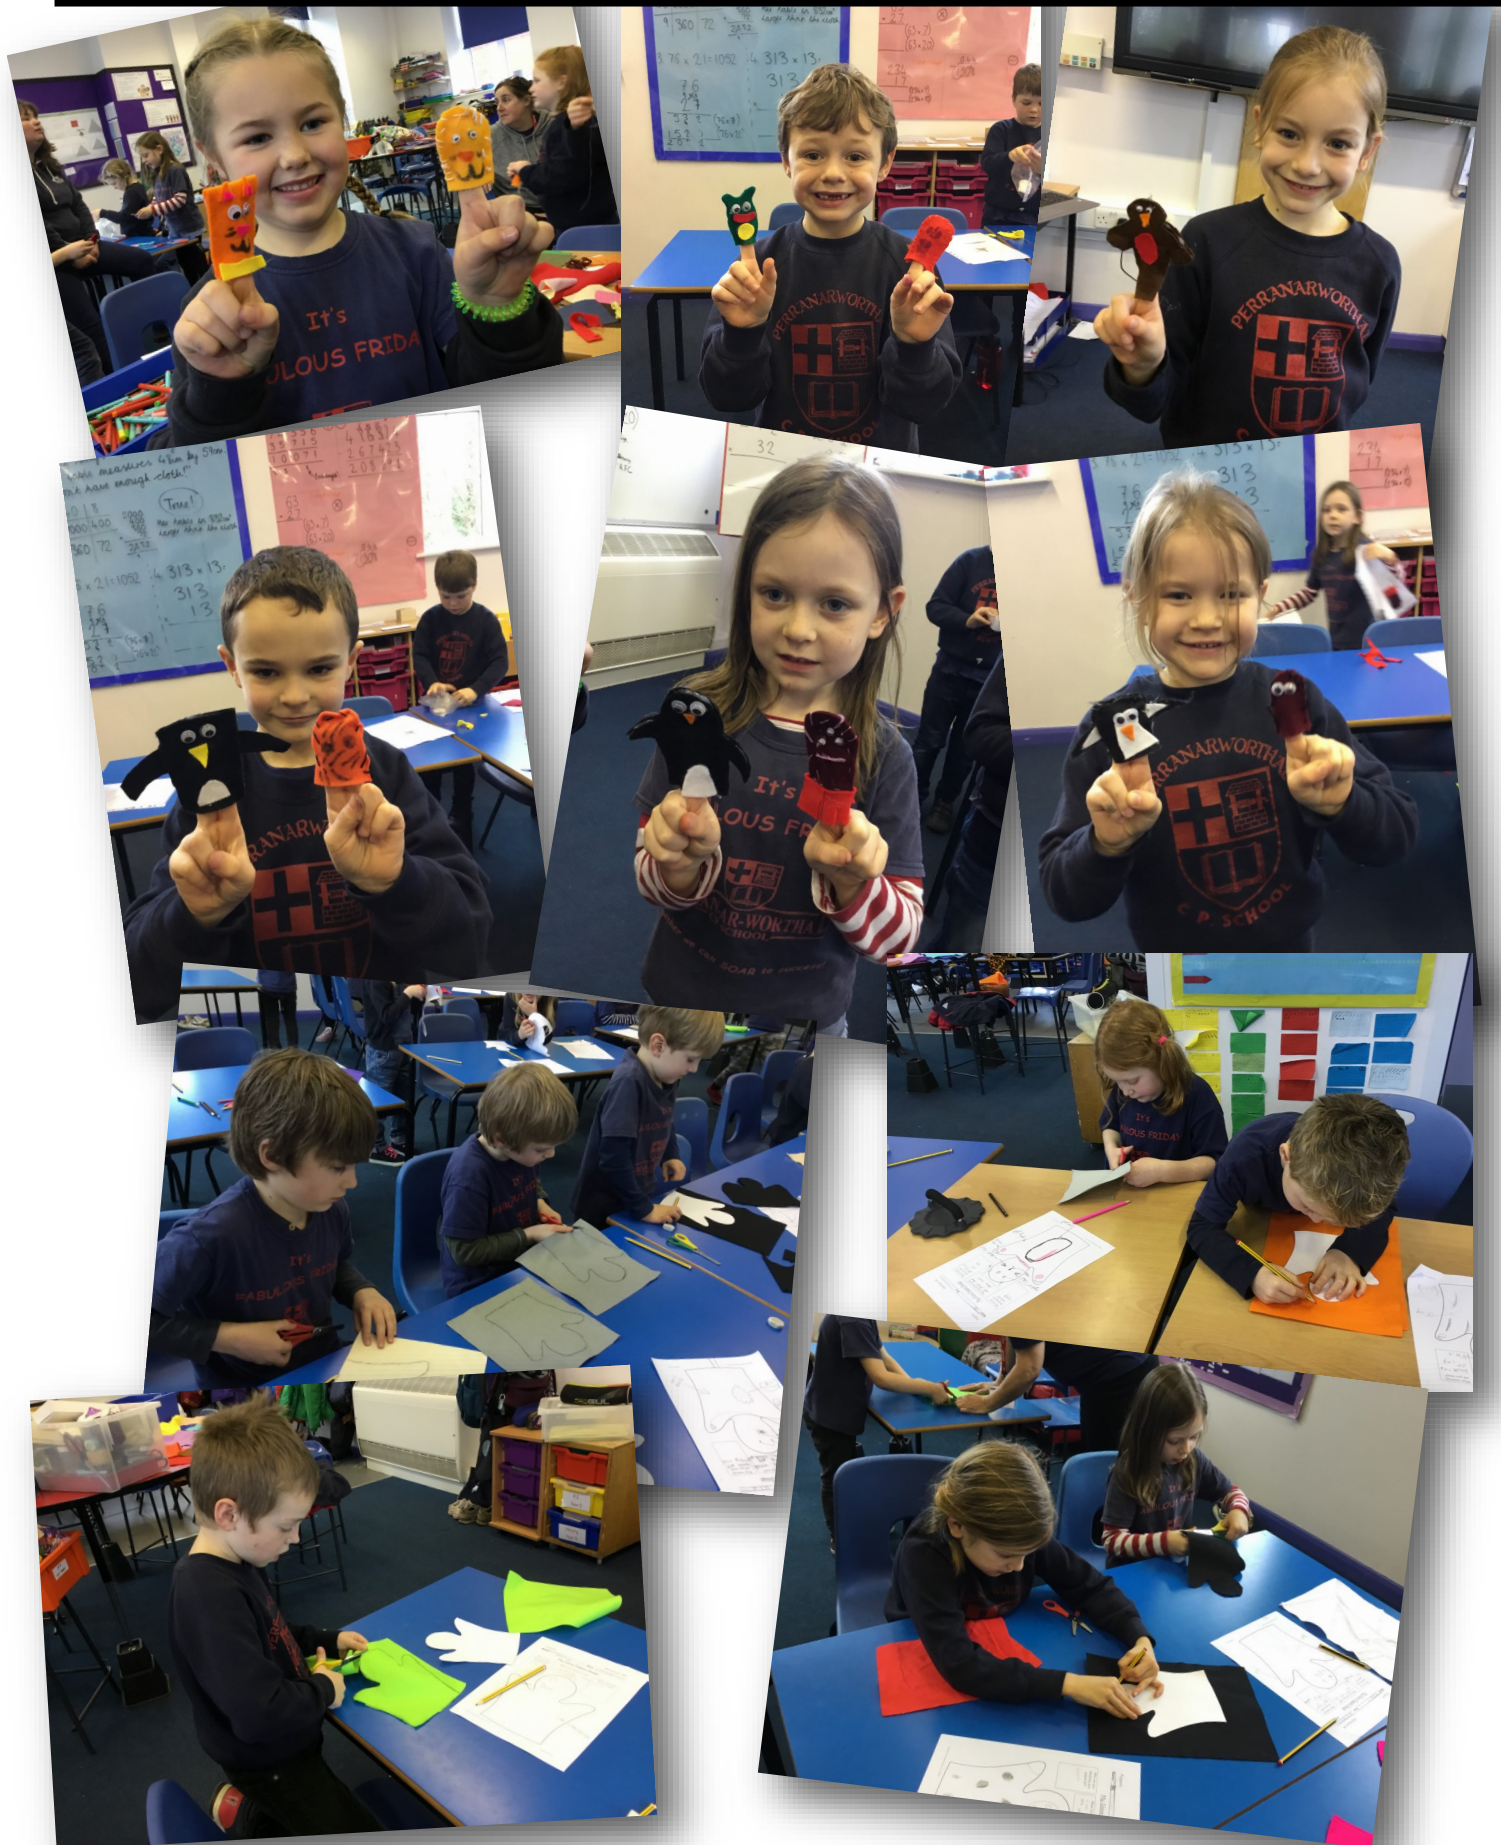

Year 1 enjoy investigating the pond with Mrs Lakin and talking Forest Schools with Mrs Royle! Oh the joy of Fabulous Fridays! We LOVE it!

Not only do we get to start fires we also cook and eat our own marshmallow s'mores!
Could Friday's get any more Fabulous?

In their Design Technology lessons, Year 2 have been busy using templates to create hand puppets and using their design skills to make finger puppets. A lot of decision making had to go in to which fabric they wanted to use, which colours they would have for the animal they wanted to make and how they would design their character to use in story telling at a later date. They were all very pleased with the end result! Puppets at the ready!

Well, it was healthy eating sandwiches and snacks on the menu for 2nd group of Year 1s during their Fabulous Friday cooking session this week! Fresh bread, a range of healthy fillings and crunchy snacks on the side! Double lunch all round and not a crumb left in sight!

It's all in the presentation! I certainly would pay this sandwich shop a visit!

WHAT'S COMING UP? DATES FOR YOUR DIARY!!!

Kids Disco – Friday 28th Feb, School Hall KS1 6-7pm, KS2 7.15-8.15pm

Spring concert – Sunday 22nd March 3-5pm, Perranwell Centre
