

JUBILEE TEA PARTY TREAT! On our last day of the half term, the children worked in their colour teams to create their own personalised commemorative cup and plate ready for an afternoon whole school Jubilee tea party. What a lovely afternoon it was with our older children looking after the little ones in their team. Even the staff had a slice of Victoria sponge to help celebrate the forthcoming event. A sea of red, white and blue enjoying a sunny afternoon together - a great way to end our half term!

WHAT CORNWALL IS DOING FOR SUSTAINABILITY! This term, as part of their Geography unit on sustainability, the year 5 pupils took a trip to the Geothermal Engineering Centre in United Downs where they were able to learn more about how engineers in Cornwall have created a source of power that is carbon neutral—a visit that we hope will inspire our pupils to be the change makers of the future. If you would like to know more about **GEL** then please do visit their website using this link: <https://geothermalengineering.co.uk/>

WE'VE ARRIVED! The chicks are out and about and have certainly made their presence known in the Year 5 classroom. After a short time in the incubator, the children were able to witness, first hand, the awe and wonder of the chicks hatching out of their eggs. What a wonderful and memorable way to learn.

THE SPORTING SUCCESSES CONTINUE!

Well done to our Tag Rugby Team who played a fantastic game and drew 1-1 with a strong team. And another well done to our sporty Mrs Waddington who completed her first half marathon. What an achievement—you are an inspiration to us all!

THE JOY OF THE CREATIVE ARTS! This term our Year 4 pupils have been studying the art of Henri Rousseau and have created these mixed-medium works of art inspired by Henri Rousseau's painting entitled 'Tiger Peeking Out from Grass'. To create their pictures the children independently mixed a range of shades of green, created delicate leaf prints, followed a sequenced line drawing lesson on how to draw a tiger, used the beautiful BRUSHO paint medium, experimented with the bright colours of oil pastels and finally brought together all their wonderful creations in a final collage depicting their version of 'Tiger Peeking Out from Grass'. Below are just a few examples. We have many more wonderful works of art on display around our school.

WE LOVE TAKING RISKS IN FOREST SCHOOL! Of course, no term would be complete without a bit of den building, hole digging, tree climbing, cooking on a real fire and messing about in the mud kitchen! Our Robins have been enjoying the outdoors to the full with Mrs Royle on Fridays.

OUR KEEN GARDENERS HAVE BEEN AT IT AGAIN!

With so many generous donations from parents, Mrs Rolleston and her keen team of gardeners raised some much needed funds for a very worthy cause. Well done and thank you to all involved.

TEAM POINT CERTIFICATE WINNERS 25th May 2022

SILVER CERTIFICATE – 100 TEAM POINTS

Year 3: Arthur

Year 4: Agnes and Leo

GOLD CERTIFICATES – 150 TEAM POINTS

Rec: Lauren

Year 2: Loic, Ula, Ted, Sophie and Aubrey

Year 4: Dexter, Quilla, Nuala, Ralph, Layla and Lily

Year 5: Flo and Toby

MEDAL – 200 TEAM POINTS

Year 2: Theo

Year 4: Eliza and Myah

Year 5: Anna

BADGE – 250 TEAM POINTS

Year 3: Leo

Year 4: Lily-Rose

Year 6: Ella and Jaxen

TEAM POINT CERTIFICATE WINNERS 19th May 2022

BRONZE – 50 TEAM POINTS

Year 2: Eleni

SILVER CERTIFICATE – 100 TEAM POINTS

Year 3: Primrose

GOLD CERTIFICATES – 150 TEAM POINTS

Rec: Leo

Year 1: Olivia

Year 2: Daniel, Isabella and Daphne

Year 3: Rosie

Year 5: Hazel

MEDAL – 200 TEAM POINTS

Year 4: Willow M

BADGE – 250 TEAM POINTS

Year 5: Austin and Archie
