

COVID Interim Curriculum Plan - KS1

The following curriculum plan is an adaptation of our broad and balanced curriculum in KS1. To better suit home-learning, virtual teaching and with e-safety in mind, some topics and objectives have moved to different terms in the school year. Our curriculum coverage across the year remains the same.

Geography	Computing	History	R.E.	Science (Core Subject)
<h2>Year A</h2>		Foundation Link		
		Year 1	Year 2
