

# *Girl's football friendlies!*

On Wednesday, I took 11 Year 5 girls to Penryn for a football training session and a round –robin event. One of the children who came, couldn't play due to an injury, but was determined to come to support her peers. This says so much about the amazing attitude of the children at this school. The girls had so much fun and played great football. They supported each other and their smiles said it all. These girls have trained with me for a few years now and it was fantastic to see them put their skills into play. Well done all of you! I hope we can train again next year. We have Year 6 girls training and matches this Wednesday and Year 5 and 6 boys the following week.
