CP SCHOOL

E

VERY MOMENT MATTERS!

This week's focus was on MUTUAL RESPECT

RESPECT BE RESPECT

PAWSA

(Perran-ar-Worthal Sports Academy)

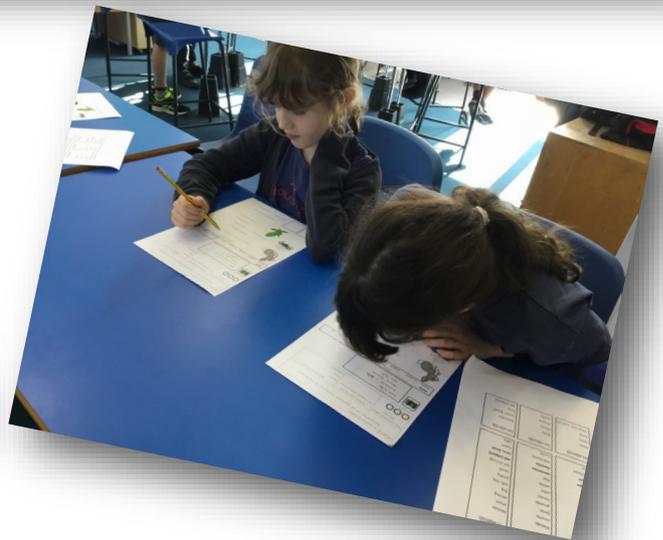

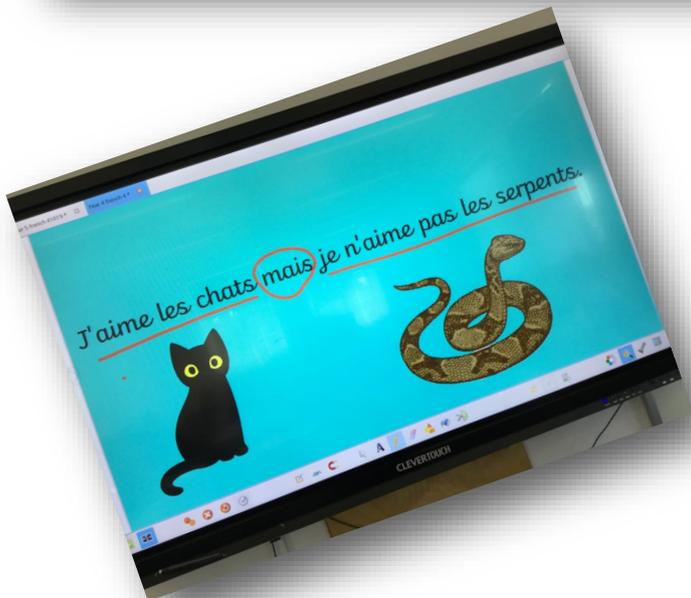

Congratulations to the following children who are the members of

PAWSA 2019!

Recognised for their 'excellence' in sport, PAWSA will form a 'Sports Council' and will influence the way that sport is received across the school!

These children will also be a part in the Penryn Junior Sports Academy that will meet at Penryn College.

HEALTHY EATING FOCUS! - In KS1 the children have been looking at food groups and how to eat healthy. With a number of pupils choosing to bring in packed lunch, we appreciate your continued support with ensuring you child has a healthy lunch box and snacks. Below is a picture of one of the large books on display where children can see the different food groups and gain an understanding of a healthy diet.

WORKING HARD ON A FRIDAY STUDYING MODERN FOREIGN LANGUAGES—Our 'resident linguist' Mr Trudgeon, has had the children hard at work learning to, not only speak in French, but also write in French. A busy class of Year 4 pupils were eagerly using their growing knowledge of French vocabulary to complete written phrases. Bien joué!

YEAR 2 MOUSEHOLE CAT INSPIRED WRITING! - This week, our Year 2 pupils have been beavering away in their writing books creating the most impressive independent writing following their work around the book 'The Mousehole Cat'. Below is just one example of the amazing work that is going on in Robins.

Wednesday 3rd October 2019

WALT : write our own story based on The Mousehole Cat.

Target:

19

To write a story adapting the style accordingly.

How I feel about today's learning:

Is there anything that Your teacher needs to know?

Who did I work with?

Teacher:

Friend:

Independent:

At the far end of England, lies Cornwall and in Cornwall there is Padstow and there is a small cottage, in that cottage lived a young and brave teenager. Her name was Emily. She has a cat called Padi. Padi loved to go fishing with Emily. Padi's favorite food is salmon. The next day Emily went fishing with Padi. They caught lots of fish for lunch. They had a delicious plate of cooked fish for lunch. They both really enjoyed their delicious lunch. One winter there was a terrible blizzard and that meant more terrifying animals could come closer. One day there was a tiger shark and for past month it had stayed there so nobody could go fishing! They were running low on food. Soon they were out of food. They had eaten all the vegetables and everything they didn't like. However Padi didn't like vegetables because they were too juicy. Soon it was Emily's birthday and she was fifteen years old. She was very brave now that she is fifteen

so she decided to face the dangerous tiger shark. She dugged it deeper and deeper so she started fishing again, she caught lots of food. After that day everybody happily eat salmon pie.

OH DEARY DEARY ME!!! - You may have noticed that our playground has recently had some new markings added. Unfortunately, the company responsible for laying the markings have had some difficulty in working out which way is North! Thank you to the many parents who have been checking it out with their phones and to the staff for spotting the mistake almost immediately! As a result the company have now been asked to come back and redo our markings correctly. The 'chess board' is also not quite what we had in mind....as you can see there would be some serious problems if we attempted to play chess or drafts on this rather alternative layout! Note to self— Never leave an unsupervised playground marker loose in your playground!

*Can you spot the mistake in this one!
Polite answers on the back of a postcard please!!!*

FABULOUS FRIDAY ART BY OUR TALENTED YEAR 6 PUPILS

This week, the series of art sessions that the Year 6 have been doing with Mrs Philp and Mrs Trembath have been producing the most amazing results. The children are all very proud of their artwork, and rightly so!
