

Our amazing Football League team

Finals 14/11/2025

What a final! Twelve Perran-ar-Worthal footballers played their hearts out on Friday morning in incessant rain! I do apologise as there is a lack of photos due to the weather conditions. I focussed on children playing in their positions of strength and they rose to that challenge! Brilliant goals from so many of the children and clever assists. Our defenders fought so hard and skilfully. We had three incredible wins, two draws and two tough losses. We came in fourth overall. These children are incredibly resilient and strong! Well done to all of you! You coped with the challenges and horrific weather incredibly well.

Cross country circuit training. The weather recently has made cross country on the field impossible! On Friday, children completed a tough strength training circuit to complement their running! Well done all of you and thank you for your continued energy!

Thank you to these amazing humans for their support in any weather!

You are all so committed !!!!
