

Truro Netball tournament 2025

Perran-ar-Worthal was invited to a netball tournament at Truro School. We had 10 very resilient girls play other schools from the Truro area. We won three matches and had three tough defeats. The girls worked so well together showing further skill development, assertive netball ball skills and great teamwork. It was a privilege to take the team to the Ben Ainslie sport's centre and they made our school very proud. Thank you to Truro school for having us. Well done girls!

I had 5 very enthusiastic rugby players train on Monday evening on a boggy pitch under a stunning double rainbow. These five children showed incredible passing skills, kicking skills and catching skills! Thank you for your never-ending sporting enthusiasm.
