

A NOTE FROM MRS HEFFER

This week our focus has been on 'RULE OF LAW'

I follow three rules: Do the right thing, do the best you can, and always show people you care.

Lou Holtz

WORLD PEACE DAY EVENT – It rained and it poured but it certainly didn't dampen our enthusiasm! On Saturday, the School Choir and the Perran-ar-Worthal Adult Community Choir joined forces to perform four very emotive songs that drew a large crowd. Regardless of the weather, the event still went ahead and armed with brollies and wellies, the crowd stayed to enjoy the wonderful sound created by the combination of child and adult voices. Thank you to all those who took part and also to the supporters who stood in the rain and showed their appreciation with a big round of applause. I think all deserved a visit to one of the many local coffee and cake establishments after this performance! A big well done and thank you to you all!

MATHS AND ENGLISH INFORMATION EVENINGS – The last two Tuesdays have been very well attended. Thank you for your support with taking such a great interest in your child's learning and how you can further support your child at home. If you have missed the first two meetings then never fear...the dates below are a reminder of the two remaining Tuesdays on which Mr Teasdale and Mrs Pallot will be presenting the KS1 and KS2 maths and English curriculum and how you can support your child at home. If you have any questions about how maths, reading, writing, spelling and handwriting is taught then please come along. I can assure you, your questions will be answered. We look forward to seeing you all there.

Tuesday, 26th September at 6pm: KS1 Maths and KS2 English (repeat of meetings held on Tuesday 12th September)

Tuesday, 3rd October at 6pm: KS2 Maths and KS1 English (repeat of meetings held on Tuesday, 19th September)

FOPS MEETING COMING UP! – Don't forget to come along on Thursday, 28th September to the first Friends of Perran-ar-Worthal School(FOPS) meeting. Continued support from parents is essential for fund raising for the school.

FAB FRIDAY DRESS CODE, THANK YOU! – Thank you for supporting the Fab Friday dress code. Apart from one sparkly blue cardigans and a pair of rather lively coloured leggings, it seemed that 99.9% of the pupils were in the correct attire today. Thank you.

RAK CLUB NOMINATIONS: Daisy Davies has nominated Eleanor Teff for helping her in the playground when she fell over. Oliver Ward nominated Ted Bailey for lending him his trainers for football club. Well done to all!

A GREAT START TO FAB FRIDAY! - Today marked the start of our Fab Friday sessions for the new academic year and what a fantastic start it has been. Please see some pictures below for the exciting activities that the children have been involved in today including, cooking apple crumble made from the apples harvested from our very own school grow zone! How great is that?! See some pictures below taken today showing Year 2 drumming with music specialist, Sara Munns, EYFS in the grow zone measuring with magic sticks, Year 1 creating autumn pictures with leaves and having fun on giant doodle paper, Year 5 having fun learning French with Modern Foreign Language Teacher Mrs Mackindoe, planting and snail races with Year 6 in the grow zone, obstacle agility course with Year 4, Year 5 Pupil Voice focusing on understanding the word PEACE, Year 6 cooking yummy apple crumble and clock designing with Year 3...phew! And that's just today!!!

NEW DISPLAYS FOR THE START OF A NEW YEAR – You may now notice, as you walk around the school, the children have been busy creating the artwork to cover the walls of our corridors making any visitor feel welcome. See below for pictures.

FLU VACCINATION RETURNS – Please could we remind parents to return the flu vaccination forms to the school office as a matter of urgency. Vaccinations will be taking place on Thursday, 12th October and the forms need to be collated before then. If you could drop them into the school office on Monday, 25th September, that would be greatly appreciated. Thank you.

PARKING FOR DISABLED – As you know, the school is aware of how difficult parking can be for the large number of cars that come to and from the school at the busiest times of day and we thank you for your continued awareness of helping to keep our children safe on the road outside the school. However, as there is no designated parking space for disabled drivers, the school has been assured by the local PCSO that one vehicle can part on the lower zig zag lines near the school gates as long as the car displays a blue badge. Although this is not an ideal solution, to help those parents or grandparents who need this facility, this area has been highlighted by the PCSO as an area that could be used safely for no more than one vehicle to park. Thank you for your support with this.

NEW RECEPTION CHILDREN PHOTO TO BE TAKEN SOON – Just to make you aware, as an annual event, the local newspapers contact the schools to book a day to come in and take a photo of the new reception class in many of the schools in the area. The Falmouth Packet will be coming into school on Wednesday, 27th September to take a photo of the whole reception class. No pupils' names will be included in these pictures.

TEMPEST PHOTOS COMING SOON – On Wednesday, 11th October, Tempest Photographers will be in school to take individual and sibling group photographs of all pupils.

FINALLY, SOME BACK TO SCHOOL PLAYTIME FUN TO SHARE!
