

Football Leagues Autumn

2025

Three brilliant wins from our 12 footballers on Wednesday night at Penryn. Their skills in all areas were so strong; defence, in goal, footwork, passing, tackling and shooting at goal. What stood out was their encouragement and support of each other, their sheer determination and their capacity to work with whichever combination of the team was out on the field. Perran-ar-Worthal could not be prouder of all of you!

A huge thank you to Quilla for coming down to help and inspire the team and to all of the parents for your continued support with these amazing events.

Multi-skills event!

Robins attended a fun Multi-skills on 19/09/2025. They had a lot of fun at Penryn College, putting their skills to the test! They tested their throwing skills, hockey skills, balancing skills and aiming skills. Thank you so much to Mrs Hamilton, Mr Farrell and Miss Fry for taking the children! Thank you to all parents who transported children to the event and stayed and supported. Thank you!

26.09.25 Year 3 and 4 Football Peninsula Qualifier.

Seven children from Skylarks attended the Peninsula qualifier on Friday. Their determination did not falter. I don't think I have ever seen more spirit on a football pitch! Their buoyancy and positivity was commented on by other schools and they have definitely made our school very proud. Every single child who played, gave every game their all!

I cannot wait to see all of you play in future events.

Well done!

Thank you so much to all parents for your support with this event and to Ella and Tom for driving and staying to support!

What a goalie! Kaiser – you must have saved over 30 goals over the morning!

Cross Country!

*Every Friday morning—KS2 Cross country.
Please come prepared for colder weather and
bring spare trainers and socks as the grass
tends to be wet.*

There is no better way to start a Fabulous Friday, than a cross country run at the field. The morning was perfect! The sun glistened and bounced off the dew. We had nearly a quarter of the school turn up again on Friday! All of KS2 are currently learning about how exercise makes our hearts stronger—and that the fitter you are, the more efficient your heart works! These children are certainly looking after their hearts! Thank you to Mark, Nadine, Bob and Jayne for your support every Friday morning! Thank you to the parents and children for being so organised and bringing spare shoes and socks! It is the best way to start any day! Well done all of you for your commitment. Cross country events start in Spring term, so this is good preparation for anyone who would like to compete.
