Poppies for remembrance

Scarlet poppies can flutter like fragile butterflies in the dry yellow corn of summer.

And they can dance like graceful ballerinas among the feathery stalks of barley.

Red poppies can glow like bright little lamps on our warm winter coats in November.

And they can whisper, like long-lost voices from the forgotten fields of Flanders.

SWIFTS enjoying some quality Forest School time.

SWIFTS have enjoyed learning through experience at their recent visit to the Maritime Museum in Falmouth, where they took part in Viking trade, a Longboat demonstration and Viking coin striking. Travelling to and from Falmouth on the train added an extra element of excitement to their day.

SKYLARKS have been learning through experience at the Roman history workshop at the Royal Cornwall Museum. Handling and talking about real artefacts, creating Roman oil lamps and even dressing up was all part of the wonderful learning that our Skylarks enjoyed and will, no doubt, remember for some time to come.

WE LOVE A BIT OF FUND RAISING! So many great fund raising events have taken place this term, which have been enjoyed by so many pupils and also by quite a few parents and staff it seems! A big thank you to our amazing FOPS team and to the staff for helping to make sure these events are very enjoyable as well as being very successful fund raising events. A special thank you to Mr Court, our DJ at the Halloween disco, who kept us all on our feet tripping the lights fantastic and to Mrs Rawlings for organising the Cauliflower Cards.

Film Night raised: £354

Halloween Disco raised: £485

Cauliflower Cards raised: £395

Getting ready to settle!

Engrossed in the film!

What an entrance!

Scary costumes!

FOPS mums having fun!

Swifts' cake sale success!

Swifts Learn Important Facts About Flooding!

Louisa Inch came to talk to the children about flooding. She showed the children some really interesting maps showing where in the village is at risk of flooding. She brought in examples of flood defences for homes and businesses including a bag which soaked up around 25l of water! The children also completed an activity where they thought about what they would include in a 'grab bag' if they had to leave their house in the event of a flood.

Swifts Learn About The Village Development Plan

Bron Freake and Helen Petite spoke to the children about how the development plan had been designed, the processes they had gone through to consult as many people as possible who live in the village and what the process for voting for the plan will involve. This was an opportunity for our oldest pupils in school to learn more about the real impact of democracy within our small community.

Well done to this super enthusiastic group of Year 3 pupils for their amazing effort at the Basket Ball Multi Skills event at Penryn College. An exciting experience for all who took part!

Our youngest pupils enjoying their learning through discovery and play.

KINGFISHERS enjoying their 'scrap boat challenge' at the Maritime Museum to end their science topic on forces where they have been learning about gravity, friction, buoyancy, air and water resistance. Using this knowledge gained, they were challenged to build the fastest sail boat they could out of scrap materials. What a great way to assess your learning!

STARLINGS making something very yummy in the kitchen as part of their Fab Friday enrichment curriculum. They certainly are showing some excellent cooking skills under the skilled guidance of Mrs Lightfoot! Great British Bake-Off here we come!

ROBINS enjoying a rather 'yummy' science lesson investigating how to make the strongest 'rocky road' as part of their science unit of work. I can't remember my science lessons being this enjoyable!

DE Mission Assignment: Discover which materials change shape when making a road with John McAdam
 Code: 632_21_06

Record your road building investigation.

I am investigating... *how to build the Strongest road.*

Equipment / materials needed:
Raisins, chocolate, biscuits, tray, film, bowl, Microwave, car, freezer, trays

My prediction:
I think tray 3 will be the Strongest road.

The Perranwell Centre is fundraising for plans to redevelop its community space. The proposed plans will clearly offer all ages of the community an excellent base for life-long learning, social enjoyment and much more. As the school continues to grow, we know that the use of such a fantastic facility will benefit many generations to come.

The Perranwell Centre Charity is grateful for any donations towards this redevelopment, with the aim of ensuring our valuable community hub can perform to all demographics to the best of its ability.

The fundraiser can be accessed at <https://www.crowdfunder.co.uk/p/the-perranwell-centre-project/>

Individual fundraiser efforts through sponsored activities are also greatly appreciated. These can be set up via the 'Start Fundraising' button on our project page. Physical donations will be gratefully received at the Village Shop.

The purpose of this Crowdfunder is to take another step on the road to providing a building that will be an asset to all in the community. It will not only provide the money to fund the new design but it will also be a means by which the trustees can directly talk to and listen to individuals and groups in the local community. Thank you for your support!

The poster features a photograph of a modern, two-story building with large windows and a flat roof, set against a clear sky. The building is surrounded by greenery and a paved area. In the top left corner, there is a logo for the Perranwell Centre, which consists of three stylized human figures in blue and orange above the text 'PERRANWELL CENTRE'. Below the photograph, the text 'THE PERRANWELL CENTRE CHARITY FUNDRAISER' is written in large, bold, dark blue capital letters. Below this, a message in bold dark blue capital letters reads: 'WE ARE RAISING MONEY TO REVITALISE AND IMPROVE THE PERRANWELL CENTRE, BUT WE NEED YOUR SUPPORT!'. To the left of a QR code, there is a paragraph of text: 'We need your help to secure its future and increase opportunities for local residents, and current and future generations.' To the right of the QR code, it says 'Scan this code to donate'. Below the QR code, the text 'HELP US REACH OUR GOAL!' is written in bold dark blue capital letters. At the bottom, the text 'KEEP IN CONTACT WITH US' is written in bold dark blue capital letters. Below this, there are five social media contact points: an email icon followed by 'hello@perranwellcentre.org', a globe icon followed by 'www.perranwellcentre.org', an Instagram icon followed by 'theperranwellcentre', a Twitter icon followed by 'perranwellhall', and a Facebook icon followed by 'theperranwellcentre'.

Operation Christmas Child is a chance to bring great joy to children all around the world, by packing and sending a shoebox full of gifts for a child to enjoy. Boxes from the UK are sent to Eastern Europe, Central Asia and the Middle East, including Ukraine this year.

Any family can take part by filling a box full of gifts - see <https://www.samaritans-purse.org.uk/what-we-do/operation-christmas-child/how-to-pack-a-shoebox/> for what to include - and dropping it off to your local collection centre (Kea Church) during National Collection Week 14th – 21st November.

Check the website for opening times <https://www.samaritans-purse.org.uk/what-we-do/>
