What a morning these children had! They challenged themselves in running races, relays, obstacle races and hurdles, in track events and javelin, shot put, long jump, high jump, speed bounce and stride leap jumps. Going down to compete at Penryn is a nerve-wracking experience. These athletes supported each other and cheered for each other throughout. Their determination and courage competing at track and field shone! Well done to all of you! It was brilliant watching you compete! A huge thank you to all parents that volunteered their time, transport and energy for this event! Thank you to Ella, Donna and Rhi! It would not have been such a successful event without your support and encouragement for the children!
