

This week's focus was on ACCEPTANCE OF SIMILARITIES AND DIFFERENCES IN OUR SOCIETY

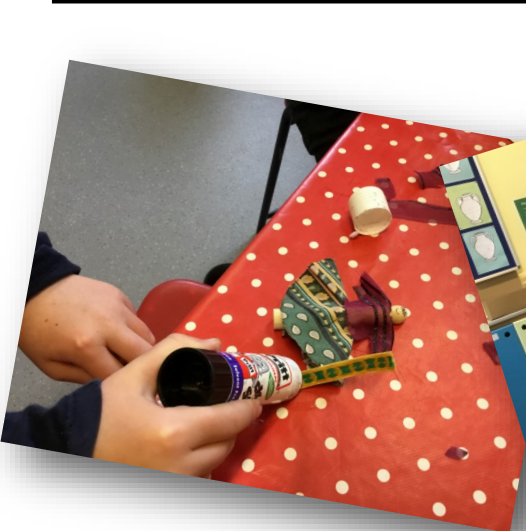

GOOD BYE, JUST FOR A WHILE! Mrs Benner was quite overwhelmed by the generosity of all the children in her class who each gave her a copy of their favourite book for Mrs Benner to read to her baby, when the time comes. What a wonderful gift to give to a baby! Mrs Benner was delighted! We wish Mr and Mrs Benner all the very best of luck for their forthcoming arrival and we look forward to being introduced to Baby Benner in due course.

OLD TOYS! - Year 2 took a trip to Truro Museum to find out what it would have been like to play with toys in the olden days and what children would have used before TV was invented.

They used stencils and bits of fabric to make peg dolls, just like they did a long time ago.

The children were given items that were wrapped up in old paper and they had to guess what was inside before they were allowed to have a peek. How exciting it was when they found out the items were all toys! The children were then asked to sort the toys into old and new and they even had a go at putting four dolls in order to show how they have changed over the last 150 years!

KS1 PUPILS EXPERIENCE THE AMAZING SPORTS FACILITIES AT PENRYN COLLEGE! - Last week, pupils from Robins attended a fun and exciting athletic event at Penryn College as part of the School Games programme. They also had the opportunity to meet and work with KS1 pupils from several other schools within the Penryn Partnership. A fantastic day was had by all! Many thanks to Mrs Brookes and parents Mr Ashton, Mr Fitch-Roy, Mrs Richards and Mrs McCandless for taking these 12 children to the Multi Skills event at Penryn. Without your help we would not have been able to take part.

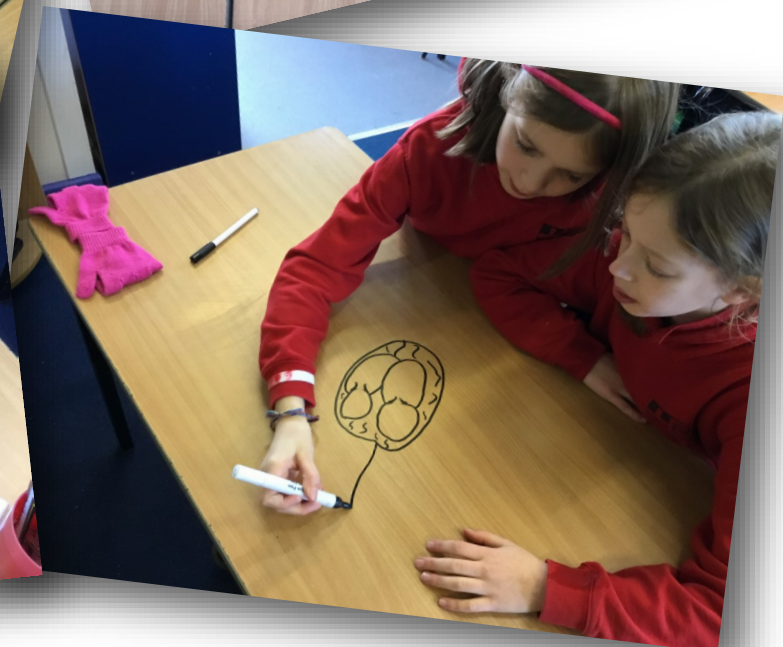

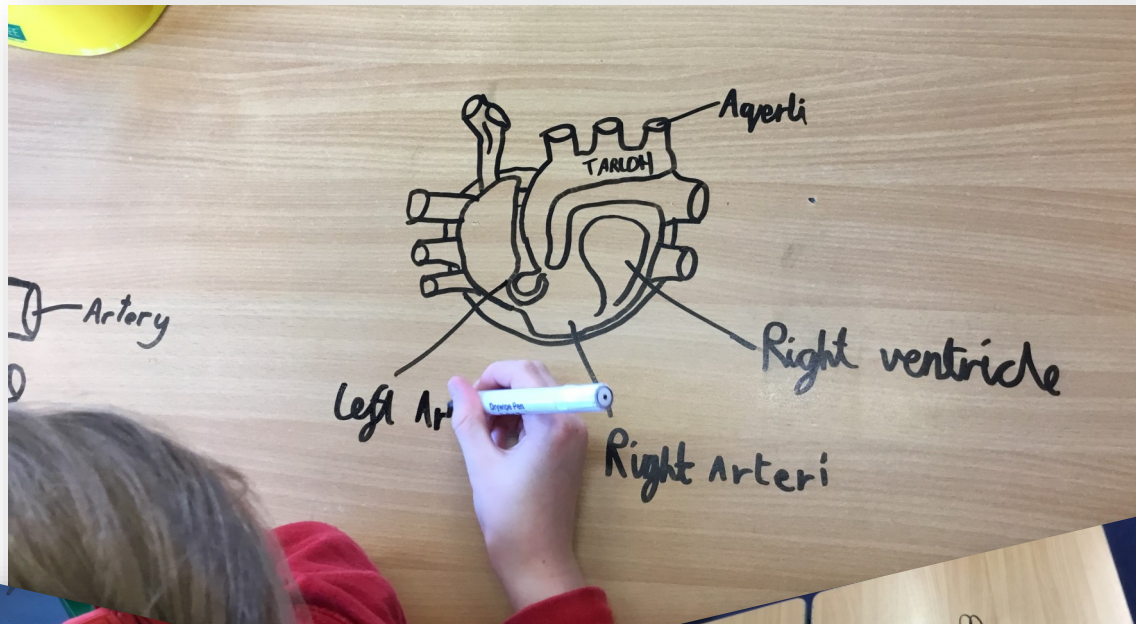

HALLOWEEN 'GINGO' NIGHT IS A BIG SUCCESS! - Last week, what may well become an annual event, the adult 'Gingo' raised an amazing £312! A fun night was had by all where the addition of the Gin Bar added to the fun and laughter as the evening went on. A huge thank you to all who attended and particularly to the FOPS team for organising and helping to run the event. We hope to see even more parents coming along to the next adult bingo night.

THEY MAY GET A LITTLE MUDDY SHE SAID! - Fab Friday is clearly becoming one of the favourite days of the week when our pupils are given, amongst other things, that opportunity to immerse themselves in life outdoors! Mrs Royle had the Year 6 busy building shelters, apple bobbing, roasting apples and 'clearing' the pond...or that's what the children told us they were supposed to be doing! A muddy and very happy group of Year 6 are now looking forward to the next Forest School session when an extra change of clothing has been put on the kit list!

DRAWING ON THE TABLES? WHATEVER NEXT? - Science was never this exciting when I was in school! Pupils have been raving about their exciting science lessons where drawing diagrams of how the heart works on the table is allowed! Has Mrs Royle gone completely mad? Absolutely.....not! Last week pupils were shown how a heart works and then had the opportunity to demonstrate their knowledge by recreating their image on to the table tops whilst discussing their understanding with a partner. Pupils were delighted to then have the opportunity to share their 'works of art' with their peers. A novel and memorable way to learn. Cleaning the tables was a reluctant but necessary task for the teacher at the end of the lesson.

Friday 15th November 2019

The School Council have decided to Move it with Jo Wicks on Pudsey Bear Day !

FABB FRIDAY UNIFORM PLUS SPOTS OF ANY KIND

Donations brought in and placed on a giant Pudsey Bear.

TEAM POINT WINNERS

BRONZE CERTIFICATE – 50 TEAM POINTS

Sol Guimaraes, Hazel Richards and Oliver Entwistle

SILVER CERTIFICATE – 100 TEAM POINTS

Matthew Debenham

Christmas concert

This will be on the 14th December
