

T1 Rugby Mega Fest @ Penryn College 8th May 2026.

Perran-ar-Worthal Year 5 children were invited to Penryn to take part in a T1 rugby skills session followed by matches. We versed Mawnan, Stithians, Trewirgie, St Francis, Trevithick and Treloweth schools. The skills sessions were led by Penryn year 10 sport's leaders and tested the children's speed, stamina and skills. Our children performed brilliantly! Their progression over the morning was impressive! Their quick hands on the ball, encouragement of each other and listening skills made for a very successful morning. I was extremely proud of all of them!

Medals were awarded for most improved player and for showing key PE attributes including demonstrating sportspersonship, high level of skills, resilience and effective leadership!

**Well
done!**
