A NOTE FROM MRS HEFFER

This week our focus has been on RESPECT.

THE IGLOO HAS LANDED! - Yes indeed! All those empty milk bottles have now taken on their new form and what an impressive form it is! Many thanks to all who brought in the empty milk bottles—no more are now needed. The children will have many hours of role-play fun in their winter wonderland with their baby polar bear and winter books to enjoy, all snuggled up inside their igloo. Well done to all the ladies in KS1 who have been so determined to build the igloo before the end of term. There are plans for it to become a biome after the winter season has passed.

YEAR 1 HIT THE BEAT! - This week, our Year 1 were being Fabulous Friday musicians, playing African Drumming games and beating a tuneful rhythm on their xylophones and glockenspiels. Learning the correct way to hold your beater, listening to the rhythm of a song to play along to and following basic notation! So much to learn! Well done Year 1!

CHANGE OF DATE! - GoActive dates – date change for January, now the 4th January not the 3rd – as per letters sent out this week.

TRIP TO EDEN—Friday, January 11th 2019.

Just a clarification around the returning of forms and monies for the Eden Project.

The £4 per pupil is a request for a **voluntary contribution** and if you wish to contribute then the money should be sent in with the consent form and packed lunch order form.

Also to remind you that if no packed lunch order form is received we will automatically mark your child down as bringing their own packed lunch.

Any DBS checked parent volunteers are welcome, please inform Miss Deakin in the office as soon as possible to reserve your place. A huge thank you to FOPS for subsidising the cost of this trip! We look forward to our annual whole school trip to Eden!

BRONZE CERTIFICATE WINNERS THIS WEEK!

Gracie Tattersall

Florence Dodge

Philippa Kneebone

Isla Ashton

Freddie Nicholls

Mo Sterry

Well done for getting 50 team points!
