# Pupil Voice Curriculum Overview

## How we implement our Pupil Voice Curriculum

At Perran-ar-Worthal CP School, Key Stage 2 pupils take part in Pupil Voice as part of our Fabulous Friday Curriculum. We believe that preparing children for the demands and expectations of becoming a 21st century global citizen is, in part, helping them to understand their role in shaping the future and their role in decision making as they mature. These sessions help children to see how they can have a positive influence on the wider world. The sessions are based around thinking, debating and discussing issues raised by the United Nation's 17 goals for sustainable development.

In September 2015, Members of the United Nations committed to the Global Goals for Sustainable Development; 17 goals to achieve 3 extraordinary things within the next 15 years:

- **End Extreme Poverty**
- **Reduce Inequality**
- **Respect Our Planet**
