

Girl's football friendlies! -Year 6.

We had 7 very enthusiastic Year 6 girls head down to Penryn on Wednesday for a skills session in football followed by some friendly matches. These girls have improved in their skills enormously in the last couple of years. The demonstrated some amazing runs up the pitch, clever assists, opportunistic goals and brilliant teamwork! Girls—thank you for your huge energy and commitment to football! It was a great evening with a focus on maintaining possession of the ball and applying the acronym WAT to our passes—weight, accuracy and timing.

These girls listened respectfully and then played their hearts out in the rain!

Year 5/6 Gymnastics competition.

On Wednesday the 12th November, 8 club and non-club affiliated children competed against other schools at Penryn Gymnastics club. These girls worked hard at our school practice but committed to learning and polishing routines in their own time! Our non-club team came first overall! Fleur came first in vault and third in floor, Juno came second in the vault and second in the floor and Tamsyn came third in the vault. Absolutely brilliant routines from all of you!

The Vault!

Fun in the pit!

Exhausted after the competition!

Thank you so much to Mr Trudgeon for taking the squad to Penryn and to Mr Teasdale and Mr Sharpe for your support on the day!

Girls—you have shown incredible commitment and skill! Well done all of you!
