

Summer cricket league 2026!

Our Year 6 cricket team put up two strong games against Kennall Vale and Stithians last Wednesday, unfortunately we were beaten in both matches. However, the team scored well, smashing some balls out of the boundary. They also worked effectively as a fielding team with some very impressive catches. Well done to all of you! The team will verse Flushing this week.

KS1 Mini Olympics. 1st May 2026

Ten children from Robins were invited to take part in the mini Olympics at Penryn on Friday afternoon. Their running, jumping and throwing skills were put to the test as they ran and jumped over hurdles, threw vortex howlers with all their might, hurled themselves into the long jump pit and sprinted down the track. They showed resilience and bravery as they versed children from 5 other schools. These events build confidence and self-esteem and hopefully a love of athletics. Thank you to all the parents who drove to and from the event and to Andy who stayed and helped at the event. Without this help, the event would not have been possible. Thank you! And a huge congratulations to all athletes; you made us very proud!

Well done!
