**SPORTS DAY—PERRAN-AR-WORTHAL STYLE!** The weather was perfect and the sportsmanship was excellent at our annual school sports day on Wednesday. A big thank you to everyone involved in helping it run like clockwork, particularly to Mr Teasdale, who coordinated the whole event. Well done to every one who took part!

## FAMILY QUIZ NIGHT—A STORMING

**SUCCESS!** If you were not able to make the first ever family quiz night then don't miss the next! There was a great turn out for this first time fund raiser event where parents and their children worked their way through 6 rounds of thought provoking questions, riddles and picture problems. Refuelled with pasties, the final few rounds included music from well know Disney films and TV programmes. A big thank you to all involved in helping to run the event at which £283.92 was raised. Fantastic!

**RECORDERS CONTINUE TO RULE!** Over the last couple of weeks, many of our pupils have been involved in taking recorder exams. After several weeks of preparation with the guidance of Mrs Whomersley, the pupils who took their exams all achieved incredibly high marks with 9 receiving distinctions and 7 receiving merits—an excellent result for all involved. Above is a picture of the most recent event where our keen recorder players took part in a recorder workshop with many other enthusiasts from local schools. A huge thank you to Mrs Whomersley for her dedication and excellent teaching of music to our pupils. Well done to all who took part!

**EXCITING NEWS! THE SHELTER IS ON ITS WAY!** - As you are all aware, the FOPS team have been working hard to help us raise funds towards an outdoor shelter and the fund raising pot has been filling up nicely. We have also received £425 from the Waitrose coin drop! But to help us finally reach our goal, we recently won a £10,000 Big Lottery bid to help fund this community shelter. We are delighted to inform you that the shelter will be installed over the next couple of months and we look forward to inviting you to an official opening ceremony. Thank you to everyone who has been involved in helping us raise funds towards this amazing installation. With the help of the lottery funding, FOPS have decided they would like to put the remaining funds they have raised towards another large playground item for the children to enjoy! Watch this space!

**NEW MEMBER OF THE FAMILY!** - Congratulations to Mr Teasdale and his fiancée Steph, who have become the proud parents of a....kitten! Meet Simba—the new love of Mr Teasdale’s life! Simba is clearly very happy with his new adopted parents. Enjoy every moment, Mr T, they grow up so fast!

**MORE STAFF CHANGES AHEAD!** - Some of you may already know that we are going to be saying a sad farewell to Mrs Dunn at the end of this term. Mrs Dunn is returning to her hometown over the summer and we will miss her very much. Mrs Dunn has brought a great deal of passion and energy to the school particularly with her love of art and cooking. We wish her all the very best of luck for the future and hope she will come and visit us when she may be holidaying in Cornwall. We have been very fortunate to have appointed Mrs Ruth Cleaver, a fully qualified teacher, who will continue the excellent work of Mrs Dunn as a TA in Year 3 and an HLTA covering PPA every afternoon. Mrs Cleaver is also a very keen cook and will be continuing the Fabulous Friday baking in September.

We also have two further new members of staff joining us in September. Mrs Karin Parker and Mrs Rebecca Baldwin will be taking on the roles of SEND TA working 1-1 with pupils in the school. Both Mrs Parker and Mrs Baldwin are very experienced SEND TAs and we look forward to seeing them joining our team in September.

**ANNUAL SURVEYS** - Thank you to all the parents that have already returned their surveys. Your time is very much appreciated filling in these surveys and gives us a great indication of any areas for improvement. If you would still like to complete the survey please hand in by Wednesday next week.
