**VERY MOMENT MATTERS!**

**MAKING EVERY MOMENT MATTER!** So what did we get up to last week to make sure we made **Every Moment** of learning **Matter**? There was so much going on from **Melodic Music** in Skylarks to **Mighty Maths** in Robins, **Mouthwatering Making** in the kitchen with Kingfishers and **Mindfulness Moments** of thought in PSHE.  
**A Mega week of Making Moments Matter!**

And the Many Moments continued at the Cross County event last week where over 20 of our pupils took part. See below for pictures of the event.

## Penryn Cross-country Qualifier 12/02/2024

*The cross-country team were magnificent on Friday morning. Every student gave 100% effort and the support and motivation that they gave to each other was incredible. Well done every single runner!*

## NEW CLASSROOM UPDATE!

So, just to keep you all in the loop and to reassure you that, although it looks as though nothing is happening, something is, and we had some good news at the end of last week!

It has now been confirmed that the outlying planning permission has been approved and the costings for the build have also been approved and signed off! Hurrah!

The next stage is for the architects to come and work with the school to draw up the internal elements of the build. Exciting times ahead!

We will inform you of any further news as and when we have anything to share. Keep those fingers and toes crossed!

### TEAM POINT CERTIFICATE WINNERS 11<sup>th</sup> January 2024

#### BRONZE CERTIFICATE – 50 TEAM POINTS

Reception: Jordan

Year 1: Barnaby and Dottie

Year 2: Bella

Year 4: Indie and Ula

Year 5: Daisy

Year 6: Ralph and Summer

#### SILVER CERTIFICATE – 100 TEAM POINTS

Reception: Gracie-May, Jack H and Arthur

Year 1: Suri, Willow and Isla

Year 2: Poppy, Luca and Senara

Year 3: Olivia

Year 5: Fearne, Bethany and Jack

Year 6: Max and Lily

#### GOLD CERTIFICATE – 150 TEAM POINTS

Year 3: Pippa

Year 4: Theo

# BEE READY FOR THE BEES

## BEE CREATIVE

Enter our competition and design a colourful 3D flower garden for bumblebees to feast on when they come out of hibernation.

Use our A4 poster template to draw your design and then make it 3D by adding bits of material, paper, wood, card, buttons or anything else you have! Once you've designed your entry, hand it in to have a chance of winning a flower garden starter kit for your classroom.

The bees will be extra hungry when they come out of hibernation.

# BEE READY

## CLIENT BRIEF

### Bee Happy with the Bumblebee Conservation Trust

As part of our 'Bee Happy' campaign, this January we are launching our third theme, **Bee Ready**.

The focus throughout this term is on getting ready for the hibernating bumblebees which emerge in the spring. Rising temperatures awaken those bees that have been hibernating underground during the winter months, using up vital reserves of energy stored as fat in their bodies. When the bees first emerge, they need to feed on flowers, drinking nectar to gain energy.

**This is where the children can help!**

### Creating a buzz with our competition

We want children in your school to design a 3D flower garden poster, showing what hungry bees can feast on when they come out of hibernation. They can use our A4 poster template to draw their design, and then make it 3D by adding bits of material, paper, wood, card, buttons, or anything else they have to hand to bring it to life!

There will be **two winners** in each school, both receiving a **certificate** and a **flower garden starter kit for their classroom**. Along with their classmates, the children can nurture the flowers and watch them grow - inside to start with, and then the pots can be popped outside from April onwards for the hungry bees.

We will be handing poster sheets out from Monday 15 January, and a winner will be picked just before the half-term holiday. Prizes will be sent into schools to distribute following the half-term break.

Entries should be handed in to the Unit Manager, who will decide the school's winners.

### Educational workshops

#### The NEW Spotlight Sessions

We are thrilled to introduce you to the Beyond the Chartwells Kitchen Spotlight Sessions; a new digital resource for KS2 teachers to elevate nutrition and food education in your schools. Comprising three 45-minute lesson films - designed with teachers, for teachers - they take pupils on an action-packed adventure through KS2 key curriculum topics.

The Spotlight Sessions are year-appropriate to Years 3 - 6 and come with:

- lesson plans
- educational activities
- extension activities

They are exclusive to our partners and the first Spotlight Session will take pupils on an engaging and educational journey, guided by Allegra McEvedy (Chef, Writer and Presenter of CBBC's Step Up to the Plate), where they will learn all about where our food comes from and why bumblebees play such an important role in our food system.

We continue our Beyond the Chartwells Kitchen Programme delivered in schools with exciting bumblebee-themed assemblies and workshops relevant for both KS1 and KS2.

**Please contact your Chartwells representative to find out more and book in a session.**
