VERY MOMENT MATTERS!

WHY WE DO THIS! When we are able to capture moments like these and see the joy in the faces of the children we work with, we truly do feel blessed to do the job we do. With only 4 weeks of this academic year remaining, we will continue to fill your child's learning with awe and wonder, joy and excitement.

A PIRATE'S LIFE FOR ME! AARRR! It's been all go for our little Pufflings, building pirate ships to sail the seven seas with Captain Pirate Platt as part of their topic on under the sea. A busy week for all involved but such a fun way to learn.

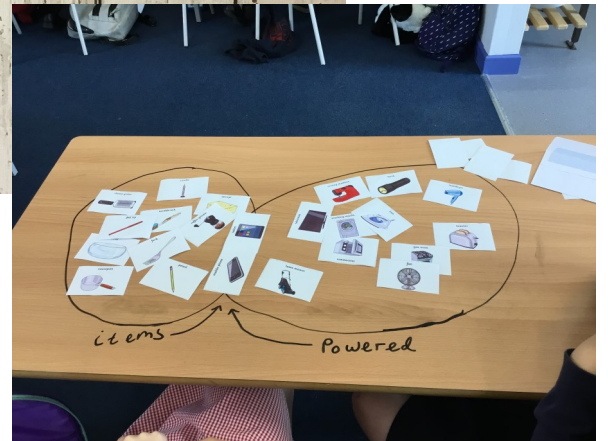

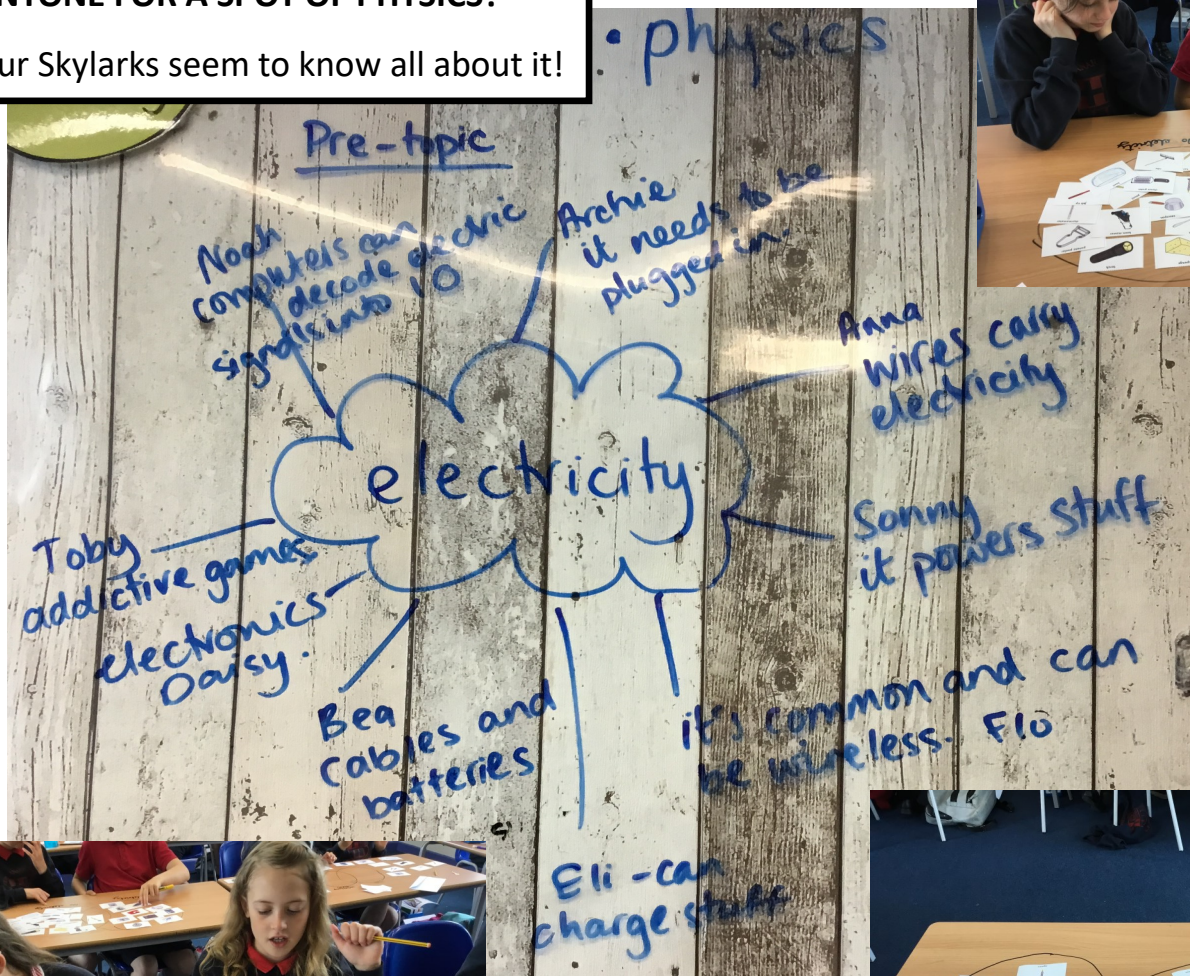

WHATEVER THE WEATHER.... Over the last few weeks we have seen sunshine and rain. With waterproofs at the ready, we have enjoyed every drop of the wet stuff! Nothing will stop our outdoor learning!

We love learning outdoors!

ANYONE FOR A SPOT OF PHYSICS?

Our Skylarks seem to know all about it!

STEAM CHALLENGE HAS OUR SWIFTS IN DEEP SCIENTIFIC DISCUSSIONS!

Alex Childs, Senior teacher from Penryn College, visited our school earlier this term to work with our Year 6 pupils on a STEAM project he had designed. Below are some pictures from their very exciting day of designing, testing and evaluating.

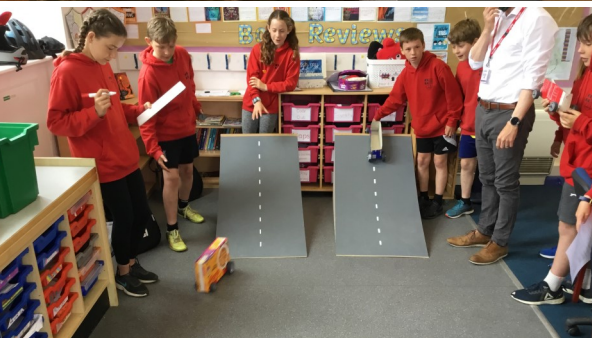

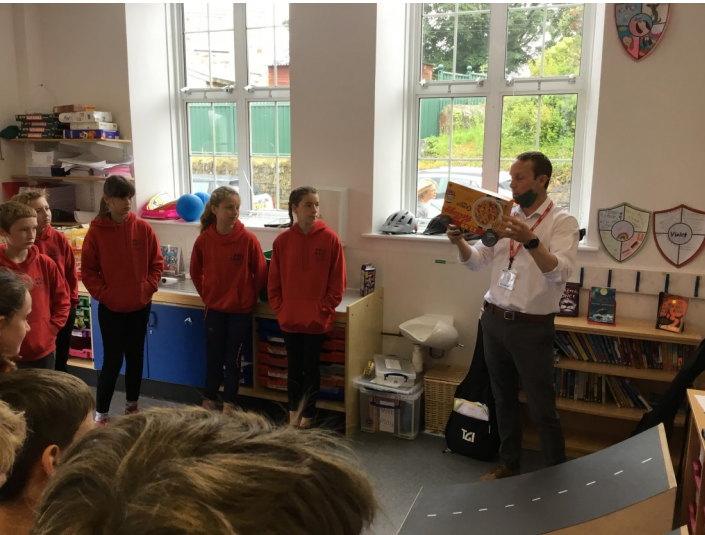

THE PLAN

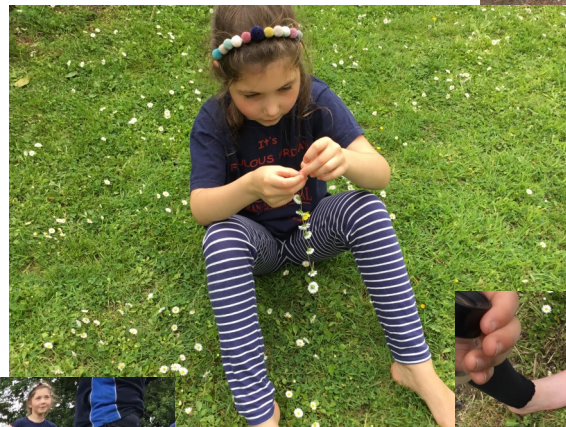

1. Learn about gravity racing and test a basic car to learn what makes it fast (or doesn't).
2. Design and build a downhill racer and a team brand.
3. Test your designs and race them against your class mates.
4. Evaluate your designs and make some scientific discoveries about what made it fast.

QUESTIONS TO GET YOU STARTED THINKING.....

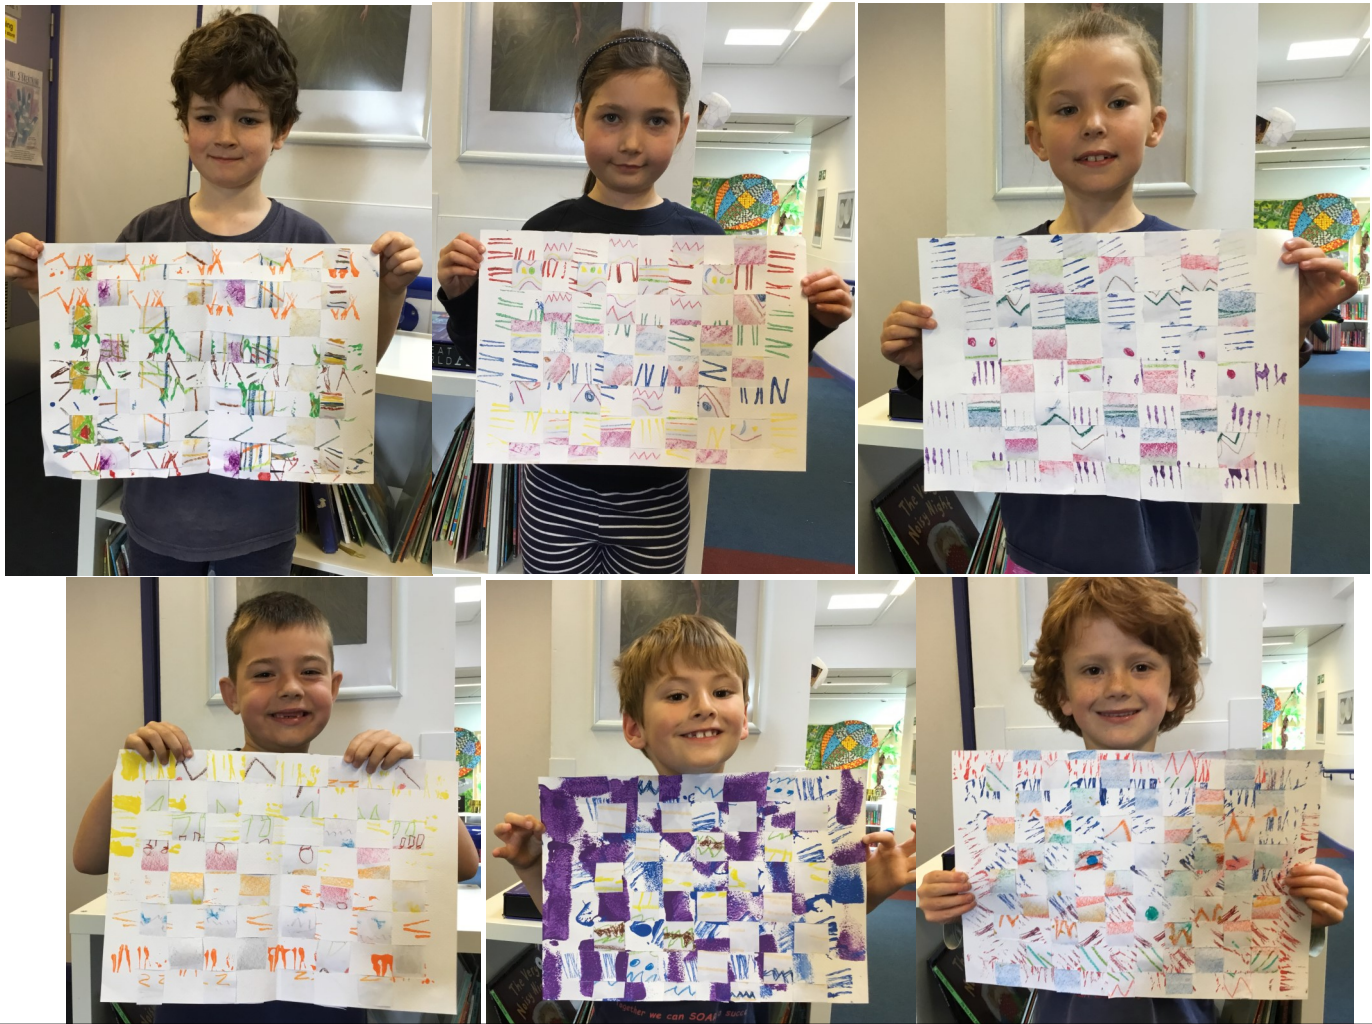

1. What will fall fastest, a heavy object or a light one?
2. What matters most in design What it looks like or how it works? Form or function.
3. What forces act on a car as it rolls down a hill?

ROBINS GO BARE FOOT IN THE WILD! As part of the Wildlife Trusts activity 'I'm doing 30 Days Wild', our Robins have been making time for nature. The concept is simple: complete a Random Act of Wildness each day for 30 days. This can be anything from eating breakfast outside and listening to birdsong to planting wildflowers for a passing butterfly. The act doesn't have to be huge or difficult, it just has to be wild! Each Friday our Robins have been doing a range of outdoor wild activities to help make up their 30 days and they have been having a wonderful time enjoying the world around them.

ROBINS GET CREATIVE WITH MIXED MEDIA! Robins have been learning about African Kente cloth as part of their Art studies and have created their own mixed media paper versions using wooden blocks wrapped with string for printing with paint, and oil pastels to create an alternative pattern which they then wove together.

AND THE CREATIVITY DOESN'T STOP THERE! As part of their cross-curricular Sun, Sea and Sand studies for Topic and Out of the Box, Puffins have created Under the Sea pictures using colourwash for the background. They added a mix of sea creatures, a variety of seaweeds and coral to complete their mixed media pictures.

THE PUFFINS HAVE BEEN BUSY AT FOREST SCHOOL THIS TERM! This week our Puffins have made elderflower fritters, dipped for newts in the school pond and made bunting by hammering flowers onto fabric with mallets! What a busy end to their week!

Skylarks: Surf Safe Day

The Year 4s had an amazing day learning to surf and how to be beach safe this week!

Everyone met at Gwithian Towans beach before getting ready to head into the sea. The Global Boarders coaches were truly excellent and they ensured that everyone was safe and happy before teaching them how to surf.

A huge thank you to all of the parents for transporting the children to Gwithian to enjoy a much-needed activity day outside of school.

A message from us, the staff that attended the Surf Safe day:

It was lovely seeing all of the children enjoying themselves as much as they did. Having not experienced a school trip for 18 months, there were some nerves amongst the group. As soon as the children got in the water, those nerves had gone! Each and every child represented themselves and the school incredibly well and watching the enjoyment that they experienced is what makes teaching the best job in the world!

Mr Teasdale, Mr Trudgeon and Mrs Lakin

TEAM POINT CERTIFICATE WINNERS 10th June 2021

SILVER CERTIFICATE – 100 TEAM POINTS

Reception: Lenny and Hugo

Year 5: Harry

Year 6: Jack

GOLD CERTIFICATE – 150 TEAM POINTS

Reception: Charlie

Year 2: Blakely and Seth

Year 4: Grace and Hazel

Year 6: Megan, Flora, Fred and Thomas

MEDAL – 200 TEAM POINTS

Reception: Daphne

Year 2: Primrose, Oliver and Jamie

Year 4: Florence D

TEAM POINT CERTIFICATE WINNERS 17th June 2021

SILVER CERTIFICATE – 100 TEAM POINTS

Year 1: Violet, Noa, Roly and Jaxx

GOLD CERTIFICATE – 150 TEAM POINTS

Reception: Isabella, Maddox, Raffy, Max and Daniel

Year 2: Isla

Year 3: Esme, Quilla, Rufus and Layla

Year 4: Martha

Year 5: Holly and Jesse

MEDAL – 200 TEAM POINTS

Year 2: Jasmine

BADGE – 250 TEAM POINTS

Reception: Pippa

Year 2: Rosie and Leo

TEAM POINT CERTIFICATE WINNERS 24th June 2021

GOLD CERTIFICATE – 150 TEAM POINTS

Year 4: Harry, Archie, Daisy and Anna

Year 6: Theo

MEDAL – 200 TEAM POINTS

Year 2: Tilly and Will

BADGE – 250 TEAM POINTS

Year 2: Jack

Year 4: Flo

Perran-ar-worthal Pre-school

*** **Booking now** ***

We have funded and non-funded spaces available for 2, 3 & 4 year old children for September 2021. If you would like to look around, please contact us.

Ring Jo or Elaine on 01872 857220 or email perranarworthal@yahoo.co.uk if you are interested in booking a space for your child
