

A week of amazing Sporting achievements!

Our current hockey league team is currently undefeated with three wins over the past two weeks! They have worked well together, using space, good communication and defending brilliantly with some lightning speed reactions; preventing the opposition from scoring! Many attempts have been made at the goal with some very near misses! Looking forward to our matches next week!

T1 rugby session with Penryn.

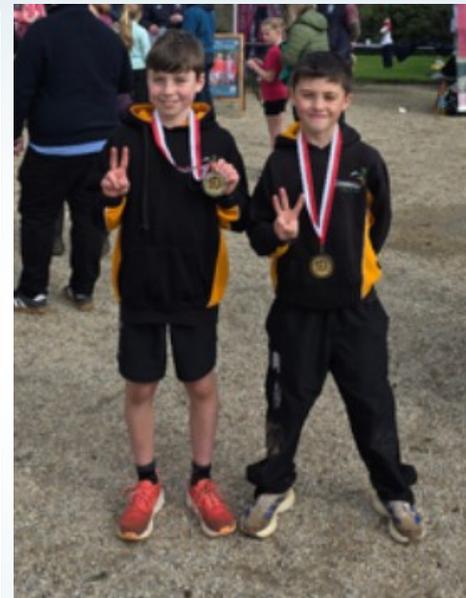

Kingfishers had a really fun PE session with myself and Mr Herd on Tuesday. Their focus is on the new T1 rugby format. They rehearsed the tackle triangle and put prior knowledge of the rip and pass into mini games. They did so well!

Thank you to Penryn for this session!

Andeven more cross country successes!

Last Saturday, we had lots of keen runners represent the school at Polwhele. A huge thank you to Bob Richards and Guy Trebilcock who were the Perran-ar-Worthal representatives. The course was a tough one but our runners did extremely well. Ted came in 2nd place with Flynn in 3rd place. The U11 boys won their race team event and overall, U9 and U11 combined, Perran-ar-Worthal came in third place! Well done to all children who raced—many of which are not in the photos above! You should be extremely proud of your achievements!

U9 Girls:

1st - Polwhele
2nd - Devoran
3rd - Perran-Ar-Worthal

U9 Boys:

1st - Polwhele
2nd - Perran-Ar-Worthal
