

**KEEP CALM
BECAUSE
TODAY IS THE
LAST DAY
OF SCHOOL**

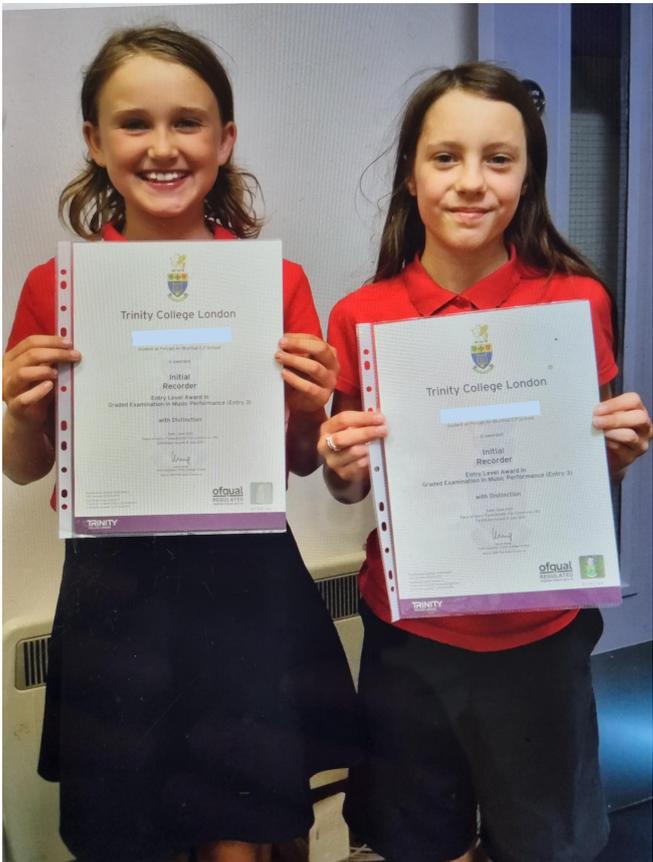

ROBINS GO CAMPING! So what can you do when the sun is shining, the classroom is too hot and it's the last week of term? Clearly you go camping, and that is exactly what our little Robins decided to do. The children prepared sandwiches and they were off for the day on a camping trip not that far from school....well not far from their classroom anyway. Tents were at the ready in our Forest School area and a fire was lit ready to make smores! A brilliant day organised by the formidable duo, Mrs Rawlings and Mrs Lightfoot.

Successes for the talented pupils of Perran-ar-worthal school!

SHOW JUMPING SUCCESS! One of our Year 5 pupils attended a Primary School Showing Jumping Competition and came 2nd overall! A fantastic achievement!

MUSIC SUCCESS! Two of our Year 4 pupils have recently been awarded Distinctions in their Initial Recorder Entry Level Award. What a great achievement!

MUSIC SUCCESS! One of our Year 6 pupils gained his Grade 3 and Grade 4 in Recorder and Grade 4 in Trombone! A talent to be proud of!

A MESSAGE FROM OUR CHAIR OF GOVERNORS

The last school year has been one of the most extraordinary, challenging years for us all. At school and at home, things have been very different from normal and many children have had to adapt to very unusual settings in school and learning from home. The COVID situation is far from resolved and it is difficult to know where we will be in September for the new school year as, at the moment of writing, the rate of increase of the COVID illness is breathtaking!

Congratulations first to all the children who have adapted to this most strange situation and have maintained their enthusiasm to learn, despite all the challenges, and achieved great outcomes.

Heartfelt congratulations to our Headteacher for steering the ship and keeping morale high. To all her dedicated staff who have made enormous efforts to make the learning experience for children interesting and engaging, despite the difficulties - their approach and commitment is second to none.

Next, we really must remember our parents for being right in the frontline when we were closed, being flexible around all the changes to drop off and pick up, understanding the difficult choices we had to make. The results of the recent parent survey show us your support and have given really helpful feedback.

Well done children, well done parents and well done Rachel Heffer and all her team.

Last, but not least, I would like to mention our governors - for supporting me, continuing all the day to day work that has to be done - wholly online, and to beginning the significant work on vision & strategy for the school for the next 3 to 5 years, which we will be bringing to fruition in the autumn through to the winter of 2021.

We have a parent governor vacancy coming up in September which you will hear about separately - I really do hope you will think about standing and joining us in the exciting work we will be doing in 2021/22.

Val Royston

Adieu To You

It's time to say good-bye,
The school year's at an end,
I hope you've had lots of fun
And count me as a friend.

I've watched you learn and grow
And change from day to day
I hope all the things we've done
Have helped along the way.

It's with happy memories
I send you out the door
With blessings for good things
That next year holds in store.
