

Cross country on a stunning frosty morning!

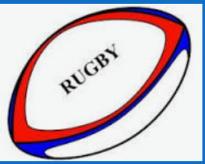

21st November 2025

Our children at Perran-ar-Worthal are certainly resilient! We had nearly 30 children running at sunrise on the frosty field on Friday morning! Huge smiles, cold fingers and fierce determination that must be celebrated! Thank you to all the adults that come and help on a Friday morning; encouraging these amazing runners, helping them, holding coats and running with them when they need some support. Cross country runners – thank you for your ongoing commitment.

Miss Davies

T1 Rugby Festival @ Penryn College.

21st November 2025

I was lucky enough to take a very skilful and talented squad to the T1 rugby festival last Friday. We had a team 9 of very agile, quick children on the pitch. The weather was on our side with the opportunity for some sun baking in between matches. These children played to such a high standard! Their speed and ability to dodge the opposition was incredible! They came 6th out of 9 teams, but this is not a true reflection their standard of rugby skills. They played brilliantly; tagging, dodging, kicking and scoring!
