'EVERY MOMENT MATTERS'  
PERRAN-AR-WORTHAL SWIFTS 2026

## TIME FOR OUR SWIFTS TO SAY GOODBYE AND FLY!

Every Moment Matters

**A MAGICAL PERFORMANCE BY OUR SWIFTS!**  
 What an array of talent! A huge thank you to Mrs  
 Waddington and her helpers for coordinating the  
 play.

# Perran-ar-Worthal Sport's Day 2026!

## Thank you!

What a celebration of the community these children belong to!

Thank you so much to everyone who came down to the field on Wednesday morning to set up for our Sport's day. The field was full of parents, grandparents and staff putting up gazebos, tying bunting, filling up water containers and getting everything ready. Thank you to Ben Ackner and Val Royston for tallying the scores; not an easy task! Thank you to the every single staff member for your enormous energy, problem solving, support and sense of humour, a spectacular race and the very entertaining commentary from Mrs Heffer throughout!

A huge thank you to the Camborne sport's leaders for running all the activities and thank you to the Penryn sport's leaders; you encouraged the children brilliantly and it was lovely to see you all again! Thank you to FOPS for all of your organisation of water and fruit for the children, the incredible team flags and everything you do for sport's day. Most of all; thank you to all of these amazing children who showed incredible skills, courage, resilience, teamwork and encouragement throughout! You shone! Thank you! From Miss Davies.

**SPORTS DAY – A COMMUNITY EVENT!**  
What an amazing morning. A huge thank you to Miss Davies for coordinating this incredible event and to all those who helped to make it run smoothly.

# Pupil Voice—Art Activism project with Starlings.

## Learning Objectives:

- ▶ • I understand that nature is our life support system
- ▶ • I understand what it means to be nature positive
- ▶ • I can create a piece of activism to bring about change

Starlings have been learning about our connection to nature, our responsibility to protect nature and we have looked at some of the damage we have done to our planet. Our learning has focussed on trees and how incredible they are. Children have learned about how trees use carbon dioxide for energy and convert it into oxygen for us to breathe, that trees provide resources for us to use, shelter for animals and for us, homes for wildlife, food for us, that they help prevent flooding and can be a natural compass by approximating where north is. We have looked at other influential art activism projects like 'Little Amal', 'The Ship of Tolerance' and 'One heart, One tree'. These artistic projects highlight human issues or earth's challenges and the message is conveyed through art. Starlings created their own pieces of art activism after a 'Tree tea party'. We hope you enjoy their stunning art and important messages. Starlings took so much thought and care with their art and created very impressive and powerful art activism. They used paint or pastels to create their pieces.

**Well done to our top three winners of the highest number of team points collected this year. An amazing achievement.**

### **GOODBYE AND GOOD LUCK!**

This week we said a sad farewell to our much-loved Mrs Royle who will be taking up the new position of Head of Science at Truro Prep School in September. A very exciting opportunity! We are hoping that she will wear with pride her Super Scientist lab coat presented to her in assembly this week – a well-deserved title for an awesome science teacher. We are aiming to keep-in-touch and maybe work closely together on some future joint projects. Watch this space! Good luck, Mrs Royle. We will all miss you very much.
