PERRAN-AR-WORTHAL
CP SCHOOL

E

VERY MOMENT MATTERS!

HURRAY!

By luck or by chance—we made it to the end of term together as a whole school! From all the staff and governors at Perran-ar-Worthal School, we thank all you parents and guardians for your incredible support, your kind words, your generous gifts and for helping us get through this together. Your children are amazing and we are so very lucky to do the job we do! Thank you! We hope you enjoy seeing a glimpse of what Perran-ar-Worthal staff and pupils have been up to over these final few Christmasey weeks of school. Enjoy!

Christmas dinner was scrummy—thanks to Sharon and Sam in the kitchen!

Just some examples of the designer decorations created by our pupils!

Christmas cakes were on the menu and part of the DT curriculum.

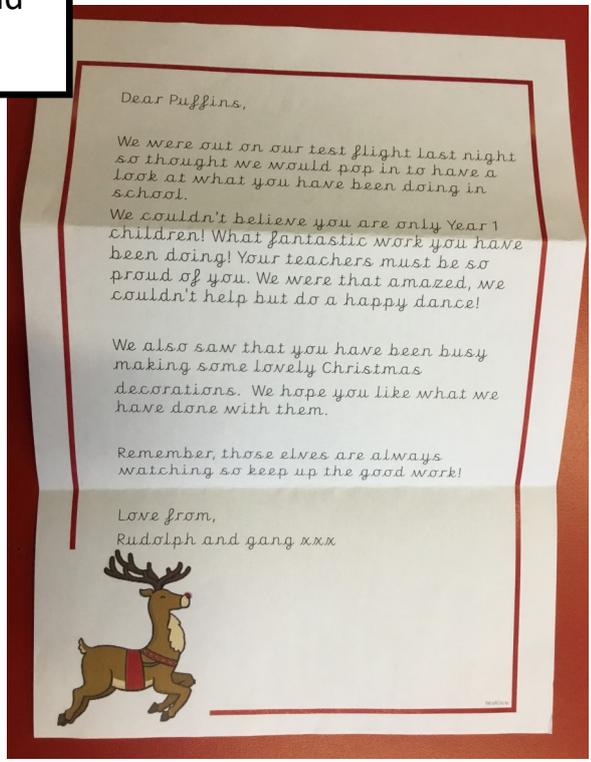

Classrooms were secretly decorated as a surprise for the children!

Some of Santa's reindeer were caught on camera dancing around the classrooms at night!

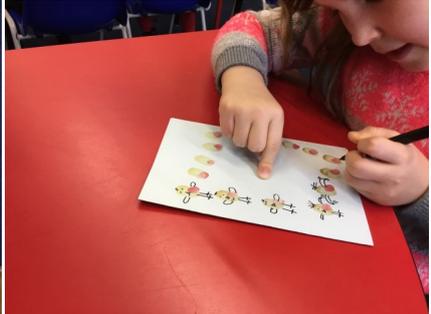

Beautiful Christmas Trees, kindly donated by The Bailey's County Store, adorned every classroom and were decorated with the children's homemade decorations. A huge thank you to the Baileys for their generous donation of living trees.

More miniature Xmas cakes and thumb print Xmas cards.

Dressed to impress!

Art on Fab Friday—yes, we were still doing batik and all those fabulous creative things!

And there was time for an assessed writing task—done with a smile!

Here are our wonderful Farmer's Market Stall holders who helped to raise an amazing £500 for school funds! What an achievement! These funds will go towards purchasing new library books for all the children to enjoy. Thank you for all your support.

And there's always time for a fire drill, even on Christmas Jumper Day, which raised £165.27 for Save the Children. Here the rest of the school are giving our little Pufflings a big round of applause for coping brilliantly with their very first fire drill, setting an excellent to the rest of the school. £72.41 was also raised for the Seal Sanctuary. Many thanks for your generosity.

SPRING TERM PARENTAL CONSULTATIONS! Following assessments during these last couple of weeks of term, the staff will be holding parental consultations in the second week of the Spring term to share your child's progress with you. Please keep an eye out for information on how to sign up for meetings as these will still need to be held via Zoom.

And what has Elvis the naughty Elf been up to over the last few days of term?

Warming his bottom on the fireplace!

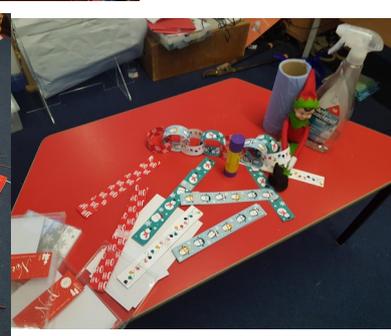

Playing with the photocopier!

Using the class decorations as a zip-wire

Trying to eat the chocolates from the advent calendar!

Playing with the paints and making a bit of a mess!

Even though Elvis has got in to a bit of trouble since he arrived at school we do believe that he has enjoyed his time with us and we wish him and Santa a very merry Christmas!

He even tried to bring a snowman to school!

Dear Robins,
Thank you so much for looking after me so well since the beginning of December. I have really enjoyed watching you learn and see how much fun you have in your class.
I have now gone back to help Father Christmas with his preparations for Christmas Eve.
I hope that you enjoy your last day of school and I know that Mrs Rawlings and Mrs Lightfoot have lots of exciting things planned.
Be good for your parents over the holidays!
Love from Elvis xxx

Staff were also dressing to impress on the last day of term! Here, looking every inch the professionals that they are, are our two Mr Ts!

There seemed to be a bit of a competition going on between the teachers who were trying to find the most realistic and most Christmasey fire for their classroom.

THANK YOU FOR YOUR SUPPORT!

We have not had the usual opportunities to raise funds for school but, with the Xmas raffle, the Christmas DVD and the Farmers Christmas Market raising over £1400 collectively, these funds will enable us to complete our library with the purchase of new books and funky seating for the children to enjoy. Many thanks goes to our amazing FOPS and the pupils for organising and running the Market Stall as well as kindly agreeing to fund the viewing of the Mousehole Cat for the children to enjoy. We would also like to thank Miss Deakin for organising the raffle and Mr Collett for putting the school plays together and helping the children creative a the Christmas DVD. What a great way to end the term!

So you get them all correct? Well, now is your chance to find out! See the answers below...

1. Introducing Me
2. Thriller
3. Eye of the Tiger
4. I'm 'secsea' and I know it!

SILVER CERTIFICATE – 100 TEAM POINTS

Violet Blackburn, Morley Neale and Megan Ashton

We have finally come to the last day of term which has been filled with joy and laughter for both staff and pupils. It has truly been a joy to be back with the children this term and regain some sense of normality in the current climate.

We thank you for all you have done to support both the school and your child's learning at home. As the strong and supportive community that we are, we know that working together will get us through the next few months that, we know, still hold a great level of uncertainty.

Thank you for your patience, kindness and understanding. We wish you all a happy and healthy Christmas and ask that, if you are travelling to visit relatives that you continue to follow the government guidelines to keep your family and those around you as safe as possible. Stay safe, keep well and enjoy your Christmas.

We look forward to seeing you all back with us on January 4th 2021.

Let's hope the New Year will bring hope and stability for us all.

With best wishes from us all at Perran-ar-worthal School.

Merry
Christmas
