VERY MOMENT MATTERS!

**MANY CONGRATULATIONS TO THE NEWLY WEDS
MR AND MRS TEASDALE!**

To the wonderful, kind and generous families of Perran-ar-Worthal,

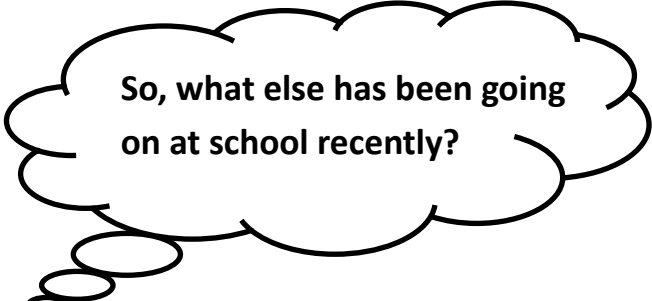

The NEW Mrs Teasdale and I would like to express our immense gratitude for the messages of support that we received before our long-awaited big day! We had a brilliant day, despite the weather, and everyone involved had a well-deserved day of joy in these troubling times.

Following our honeymoon on the Isles of Scilly, we returned to open the cards and gifts organised by the families of Perran-ar-Worthal, Words cannot express our emotions when we realised what you all had organised for us! Just knowing that each of you thought of me and Steph means just as much as the incredibly generous gifts that we received. I would like nothing more than to share the stories and more pictures with each of you. Hopefully, in the near future, we will be able to have a proper catch up about it all!

Thank you so much – you are all amazing.

Mr and Mrs Teasdale

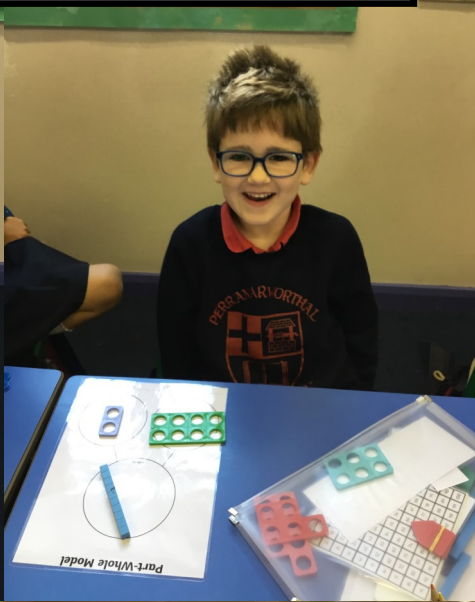

Our Year 1 pupils have been busy making moving cards and pictures in DT with Mr Trudgeon. Lots of fun!

So, what else has been going on at school recently?

And who thought maths could be so much fun? Here, our Puffins can be seen busily using their Part—Whole models in their lesson.

Our little Pufflings have been up to all sorts of fun....including the teachers it seems!

One well ventilated room and enough equipment and ingredients for each child and we have a safe and happy cookery class! Here our Year 3 pupils have been busy making apple crumble! Yum!

Our Robins have been busy discussing likes and dislikes in their Jigsaw PSHE sessions. The entrance to their classroom is now a joy to behold!

9th September 2020

We discussed our likes and dislikes, drawing them onto our own jigsaw piece to show that we may be different from one another, but when we unite we are stronger together.

Don't forget we will be raising funds for Children in Need this Friday, 13th November. Pupils have been invited to wear something spotty to school and bring £1 as a donation. Thank you in advance for your support.

STAYING SAFE IN SCHOOL, OUTSIDE OF SCHOOL AND ONLINE!

Keeping Students & Staff Safe

Last week, we were presented with the challenge of a second lock-down. Although this will temporarily impact on the freedom families and friends may have, as outlined in the government guidance, we are relieved that schools will continue to remain open. Last week we spent some time reminding the children about the ways in which we can continue to help to keep each other and our families as safe as possible.

One of our Year 2 pupils was delighted to share with me last week that he loves school because he gets to see his friends now that he can't see them outside of school for a while. I'm sure he also loves the learning too, but we fully understand that friends are very important!

**KEEP
SAFE
AND
FOLLOW
E-SAFETY**

With the increased use of online tools and resources, e-safety has never been so important and last week, all classes received their annual e-safety training as part of our IT curriculum. Please could we draw your attention to the area on the school website where you will find a couple of e-safety newsletters and information about how you can help to keep your child safe when they are using a range of online devices. This link will take you straight to our e-safety area on our website:

Family Quiz Night

WHAT A FUN NIGHT THAT WAS! - On Friday evening, no less that 26 families joined in the fun exercising their brain cells at the FOPS Fund-raiser Family Quiz Night where just over £80 was raised! From questions about sports, famous landmarks, food and drink and much more, there was something for everyone. The evening ended with a round on song lyrics and what fun we had watching families joining in with dance routines in the comfort of their own home. The final song

involved an unmuted version of Eye of the Tiger which has us all in a giggle when the technology delay resulted in a very interesting and unique rendition of this well known song. Well done to all involved for organising and running the quiz. Scores ranged from 48 to 73—an impressive outcome for every family that took part. The winning family have been awarded the FOPS Family Quiz Trophy along with a 'healthy' box of chocolates. The team with the lowest result have the pleasure of taking home the wooden spoon (which the staff were very proud to have won a few years ago at a FOPS quiz night!) and some freddo chocolates! Thanks you for all your support. This was a great way to bring our community together at the start of a second lock-down.

CAULIFLOWER CARDS PART OF CAULIFLOWER GROUP LTD.

The Cauliflower Cards fund raiser idea has also been a great success with so many families ordering a range of personalised Christmas items to send off to families and friends. With such a large number of families ordering, this has generated an estimated £420 for this

great FOPS fundraiser! Thank you to all who ordered and to Mrs Rawlings who organised the fund raising project.

POLITE REMINDER ABOUT SCHOOL LUNCH ORDERS!

With lunches being cooked and prepared to order the canteen is finding it very difficult to manage where a child's meal has not been booked in advance. We appreciate that it can be difficult to get back into the routine of booking school lunches following a school holiday break but this can leave a pupil a little distressed if their meal does not turn up in their classroom and then they have to wait for a meal to be prepared with whatever portions are remaining.

We thank you for your support with helping to ensure all meals are booked in advance.

TEAM POINT WINNERS 3rd November 2020

BRONZE CERTIFICATE – 50 TEAM POINTS

Lily-Rose Billingham, Izzy Hampton, Jacey Davies-Minns and Megan Ashton

And there's that rainbow again! The joy of nature captured by one of the staff this week. A wonderful sight in the playground—there's nothing like a bit of awe and wonder to enjoy together with our Perran-ar-worthal community.

USE OF THE TRIM TRAIL! - Please could we remind parents that unfortunately, the trim trail is out of bounds to all children before and after school due to COVID. Although we know this is a very tempting place to play when a younger child may be waiting for their older sibling to come out of school, we are having to keep to a strict timetable during the school day where the KS1 classes are using it on a rotation as it is not a piece of equipment we are able to easily sanitise. Thank you for your support with this.
