

## Sports Day 2023!

Well done to every single student who gave each event their very best.

Thank you to all parents for all your support on the day!

We saw so much amazing team work and encouragement.

What a turn out for the long-distance races, staff races and Penryn student races!

*A huge thank you to FOPS for everything! Thank you Mr Farrell, Pip Lightfoot and Jay Deakin for setting up the event and your enthusiasm throughout! Thank you to Brian and Liz Hayward for your help on stations. Thank you to all the staff for your energy!*

*Thank you to all the amazing students! From Miss Davies*

A huge thank you to all involved in helping our sports day run so smoothly but we must say a particular big thanks to Miss Davies who co-ordinated the whole event and of course to the children for their fantastic sportsmanship, enthusiasm and sheer enjoyment. These amazing pictures say it all! Thank you to Mr Waddington for stepping in at the last minute to take on the role of photographer.

## Junior Lego League—children get awarded again for their core values!

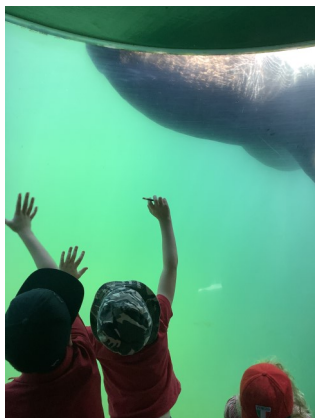

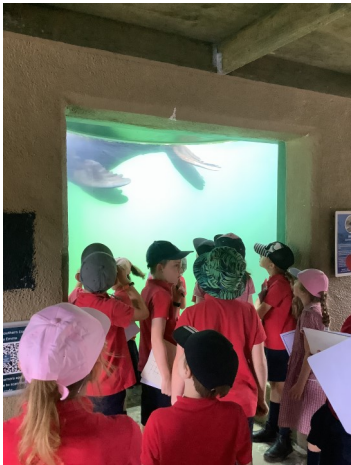

Following on from the STEM coding event attended by our upper juniors with Mrs Royle, 10 lower junior children were selected to take part in the Junior Lego League as part of armed forces day. In the morning the children took part in various exciting and thought provoking STEM activities and in the afternoon, competed in the Lego Robot task. The children showed great team work and outstanding resilience. There were 10 teams taking part and out of the four awards handed out, our pupils were presented with the award for 'Core Values—Exemplifying the 4 Core Values of the Armed Forces Demonstrated by a Positive and Disciplined Approach to the Robotic Challenge'. Mrs Pallot, who took the children to the event, was very proud of the way in which our pupils conducted themselves. A fantastic day was had by all!

Robins had a wonderful day at Castle Beach with the Rockpool Project to enhance their learning in school about habitats and seaside resorts.

Starlings took a trip to the Seal Sanctuary at Gweek to learn more about these beautiful creatures and the amazing work the staff do at the sanctuary. Once back at school, there was time for some fun team games down in the forest school area before having plenty to eat. The day ended with a short film before it was time to be collect. A fun and tiring day that was enjoyed by all involved. A huge thank you to the staff for their time.
