

This week's focus was on **DEMOCRACY**

DEMOCRACY RULES! - This week, we have had the elections for school council. Following voting within each class for a school council rep, a polling station was set up in the school hall where every pupil in the school was given the opportunity to fill in a voting slip to determine which school council rep would become the Chair and Vice Chair of the School Council. A very exciting assembly was held to announce the winner of the election and below is a picture of our new school council members. Congratulations to the successful candidates who we look forward to seeing how they will help to move our school forward. Over the next 12 months, our school council members will work with Mrs Teasdale in developing their ideas for school improvement and they will also be invited along to share their thoughts with the school governing body. We look forward to another year of great ideas from our pupils—PUPILS' VOICE IN THE CHOICE!

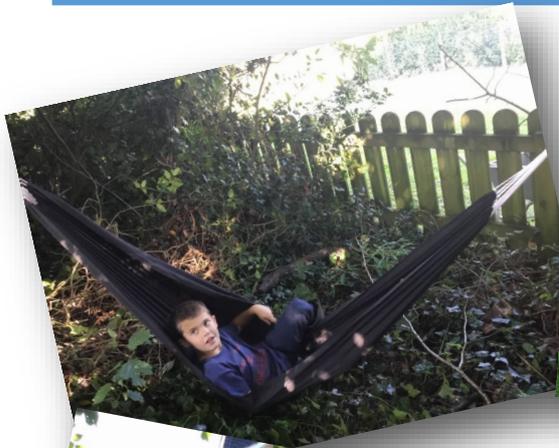

PERRAN-AR-WORTHAL SCHOOL COUNCIL 2019-2020

YEAR 1 FOLLOW 'WALLY THE BROLLY' FOR AN 'OUT OF THE BOX' LEARNING EXPERIENCE!

Today, the Year 1 children were taken on a tour of Truro Cathedral led by Mr Teasdale (senior) with his broolly called Wally! The children had the opportunity to hear about the stories behind the wonderful pictures and stained glass windows on display around the Cathedral. As a very special surprise, the children also had the chance to sign their names on a slate that will be placed on the Cathedral roof. In doing so, the school has donated £25 towards the 'save our roof' campaign that the Cathedral are running at the moment. Our Year 1 were complimented on their wonderful behaviour by so many passers by. What a wonderful way to learn with a super group of children. Thank you to Mrs Teasdale for organising a Fabulous Friday 'out of the box' learning experience. And thank you to all the helpers who joined in the fun and to Mr Teasdale and Wally for sharing his knowledge!

FOREST SCHOOL FUN! - During this week's Fabulous Friday, our Year 3 pupils have had the opportunity to be the first to work with Mrs Royle. A great experience was had with every child being active and engaged in building shelters, clearing the pond area, climbing, creating and so much more! There was even time to have a little rest in the hammock and enjoy a hot chocolate and marshmallow smores—yummy! See the pictures below that show clearly the enjoyment of learning through nature.

OUR NEW RECEPTION CHILDREN —SETTLED AND GETTING ON WITH ALL THE FUN STUFF! - What a wonderful week our new Reception children have had! From tasting new and exciting fruit to getting changed for PE for the very first time—a huge well done to all the children for trying new things and for not getting their clothes muddle up! A great start!

IS THAT DRUMMING I HEAR?! - On Fabulous Friday this week, our Year 1's not only went out and about on a visit to Truro Cathedral but, when they got back, they also enjoyed a very exciting African drumming lesson with one of our regular music service teachers. They will have the opportunity to develop their drumming skills as the term progressing and to also find out more about how drums are made and the different sound they make.

PARENT INFORMATION MEETINGS—We hope that you have found these meetings useful? If you were not able to attend, the power points can be emailed to you. The Knowledge Organisers, that were shared at these meetings, will be sent out next week. Please come and speak to your child's class teacher if you have any further questions about these documents.

HAVE A GREAT WEEKEND!
