

P.A.W.sitive Game Day Gazette. Issue # 2

Cross country commitment!

We currently have a quarter of the school running each Friday! Well done to all of you!

Netball leagues week 2.

The pressure was on in last week's matches at Penryn! Our first match was an intense one, pushing our netballers to mark closely and intercept at every available opportunity. Stithians played extremely well and won the first match. We then versed Mawnan. This was a very evenly matched game and our players managed to shoot and score themselves a win! Well done girls! With two injuries, you all showed incredible resilience!

Football Leagues

September 2026

Our footballers had a very successful first week of league matches. Their first match against Penryn, saw both Maddox scoring a hatrick and Flynn also scoring a hatrick. Dan and Toby also skilfully scored, totalling a 9-0 win.

They drew against Constantine and won their match against Kennall Vale 4-1, with goals scored by Jason, Flynn, Maddox and Charlie. Mr Lampard was very impressed by Lennys's goal keeping and with the way the team worked together. The team showed huge resilience, especially with some children sustaining injuries but continuing to play!

Well done to all of you!
Miss Davies & Mr Lampard.

Huge congratulations to Teddy and Maddox who travelled up to Swansea over the weekend to represent the county in the U11's National Cup. It was a very close match with a 2-1 loss. We are all incredibly proud of you both!
