

A NOTE FROM MRS HEFFER

This week our focus has been on 'MUTUAL RESPECT'

RESPECT TO GET IT, YOU MUST GIVE IT.

TWO GREAT MATCHES PLAYED BY TWO GREAT TEAMS – See match reports below for the football and netball teams that played this Wednesday. Well done to all involved!

Football Report:

When we got there we watched the netball for a bit then we went down to the astro-turf. We then did a bit of a warm up and watched the rest of the match that was before us. As soon as the game ended we ran on to the pitch and got into our positions. We had kick off so when the whistle went Noah passed it to me then me to Lewis and he dribbled forwards and got tackled. It went on till full time and they had scored six times but we had scored none. We played as hard as we could which is what counts.

Report written by Charlie Long.

Netball Report:

On Wednesday, the netball team went to Penryn College to play a match. Both teams did well, but over all we won 8 nil against Constantine. In the first half of the game Flo scored the only five goals, and in the second half, Sophie scored three. Also well done to Lola as it was her first time as a shooter, and she did extremely well. Opal, Georgia, Ellowen and Sapphire did amazingly. Rosie was also playing her first game but she played very well. Well done netballers! WE WON!!!!

Report written by Flo Archer-Cairnes

THANK YOU FOR YOUR SUPPORT - We would like to thank parents for the amazing support that was shown for the recent maths and english information evenings. Well over 100 parents were able to attend these sessions over the four consecutive weeks. As a result, 83 pupils out of a possible 140 were represented. I am sure you will agree that both Mr Teasdale and Mrs Pallot deserve a big thank you for the time and preparation they put into these meetings. The English and maths pages on the website will go live shortly where parents will be able to access a wide range of resources and information to help support their child at home.

WE ARE GOING PAPERLESS!!! – In an effort to be more environmentally friendly and to also help cut down on printing costs we have made a decision not to send home paper copies of the school newsletters. After half term your children will not bring home a newsletter in their school bags. Instead, our weekly newsletters will be emailed direct to all parents who have provided the school with an email address. Because of this change over the next few weeks we would like to ensure we have your most up-to-date email address which you would like the newsletter sent to. In order for us to collate this information before the end of this half term, please could we ask you to complete the form attached and return it to the school office before 20th October. All newsletters will continue to be available on the school website and a few paper copies will also be available in the school foyer. We thank you for your support with this.

PLEASE KEEP US INFORMED! – Although, on an annual basis, the school asks parents to confirm any updates to contact information sheets, please can we remind parents to inform the office of any changes

to information that may occur in between these times i.e. changes to telephone numbers, address, contact details etc and any other relevant information that may impact on your child. Thank you for your support with this.

HARVEST FESTIVAL – It's nearly that time of year again! Just as a reminder, the Harvest Festival for both KS1 and KS2 pupils will take place in the **school hall at 2pm on Thursday, October 19th**. As in previous years we will again use this festival as an opportunity to support the local food bank and also a charity chosen by the children. Please could we ask that any food donations are brought to the school office either on Wednesday, 18th or the morning of Thursday, 19th. Non-perishable foods i.e. in tins or packets, will be given to the local food bank. Perishables, such as bread, cakes, homemade preserves, fruit and vegetables, will be used at the auction of produce at the end of the harvest festival to help raise funds for the children's chosen charity. We thank you all in advance for your donations and look forward to seeing you at our Harvest Festival.

YEAR 4 PLEA FOR SCIENCE LESSON RESOURCES – Year 4 are going to be investigating sound in science this term and as part of their series of lessons, they will be needing small strong boxes to create musical instruments with elastic bands. Any donations of small strong boxes for this project would be very much appreciated by Mrs Hocking. Thank you.

TAPESTRY – To all EYFS parents who have now signed up to access their child's profile on our secure EYFS assessment programme, please ensure you have activated your account. If you have not provided Mrs Benner with your details for access to this assessment programme, please ensure this is done next week so that you can enjoy seeing your child's progress online and can add your own comments and pictures about your child's achievements at home. If you have any questions relating to this excellent programme, please feel free to pop in and see Mrs Benner at a convenient time.

RAK CLUB NOMINATIONS – Jack Jamieson has nominated Harry Barker for helping him when he fell over in the playground. Mrs Teasdale has nominated Daniel Vincent for wanting to help a homeless person by giving them one of his coins. Grace Macindoe has nominated Sophie Woodrow for helping one of the little children in the dining hall when they dropped their pudding on the floor. Philippa Kneebone has nominated Oliver Entwistle for coming out of his place in the dinner queue to pick up another child's knife that they had dropped. Kiera Peters has nominated Philippa Kneebone for helping Kiera get down from the monkey bars.
