

Year 1: Farm to Fork

Key Question: *How does our food get on our plates?*

Critical Thinking Questions

How has farming changed in the UK?	What foods come from plants?	What foods come from animals?
Where in the world does our food come from?	What is fair trade?	Is it safe to eat?

Vocab Pyramid

Tier 3	pastoral, arable, pesticides, sustainable
Tier 2	Fair trade, organic, agriculture, food miles
Tier 1	crops, vegetable, farm

Helpful Information

Pastoral	A type of farming where farmers raise animals
Arable	A type of farming where farmers grow crops
Agriculture	The practice of growing crops and raising animals to give us food, clothes and materials that we need to survive
Sustainable	Looking after our planet so that we don't run out of things that we need. Using things carefully and not causing harm.
