VERY MOMENT MATTERS!

LET THE MUSIC PLAY! What a week of musical entertainment and talent! A large number of our pupils gained a range of successes in the Cornwall Music Festival last week with several entries, including recorders, violin, brass, wind ensemble and many more. Below, two of our pupils can be seen celebrating with the winning trophy with Carrick Winds and Carrick Breeze and our Perran-ar-Worthal Community choir also brought home a trophy. We also hope to share some photographs of our recorder players soon. In addition to the festival music, our Yr6 pupils had the fantastic opportunity to attend a concert performed by the incredibly talented Primrose Piano Quartet—a true inspiration! Next week, we look forward to ending our Spring term with our KS2 Spring Concert and Traditional Cornish Plays and Sea Shanties at the **Village Hall on Tuesday, 26th March at 5.30pm**. Traditional Cornish Cream Teas will be on sale on the night and we ask for any donations on the door towards improving our library book resources.

The Peninsula Partnership X-C Championships were held at Pool Academy on Monday 11th March 2024. Eight students from Perran-ar-Worthal primary school competed. The races were intense and extremely fast-paced. All our students showed phenomenal perseverance and incredible spirit. Conditions were slippery and soft underfoot. Four brilliant races, three students qualified for the next round and we had one race winner. Well done!

Last Thursday, myself and Mr. Barber took the year 6 Lego league team down to Culdrose to participate in this year's competition. It was an action packed day and the children had the most amazing day.

They didn't have the best start to the competition when their robot connected to another robot and they could no longer communicate to it with the iPad! They showed great resilience and team work to overcome this. Another part of the day was to present an innovation project that they have been working on in school. They performed brilliantly and had some good feedback from the judges. As well as these 2 competition elements there were lots of STEM based activities they could take part in. As you can see from the photos they got stuck right in!

At the end of the day, awards were presented for various things like most points scored in the robot challenge, team work, inclusion and many others. I am pleased to say that Perran-ar-worthal won the innovation project award. It was well deserved as they put in a lot of thought and effort to produce a really great product.

I would like to thank the whole team for a brilliant day. I was proud to be there with you all and you represented our school impeccably!

Well done!

Mrs. Royle

TEAM POINT CERTIFICATE WINNERS 14th March 2024

SILVER CERTIFICATE – 100 TEAM POINTS

Year 4: Indie

Year 6: Dexter

GOLD CERTIFICATE – 150 TEAM POINTS

Year 1: Ruan, Elspeth, Suri and Charlotte
