

13.02.26 Penryn Cluster Cross Country Qualifier.

This was Friday; a day of talent, encouragement and extraordinary resilience. After 43 days of consecutive rain, the sun shone for the whole event! This newsletter celebrates the superstars who ran their hearts out and gave their races everything they had. When they weren't racing, they were cheering loudly for Perran-ar-Worthal and all other schools too. We had 34 runners on the day, with some children unable to race due to illness or injury. These numbers are testament to the children of this school and the parents who encourage them to be active!

Our cheering squad!

The students who raced demonstrated every attribute that we focus on in PE; perseverance, sportspersonship, passion, humility, integrity, cooperation and pure determination!

Thank you to Bob, Nadine, Fiona, Guy, Mark, Julia, Laura, Dan, Nicola and Charli. You all made the day run so smoothly! Parents transported children down and back, warmed the runners up, kept them safe when not racing and cheered as loudly as the children! Thank you all!

Well done! Amazing effort!

Thank you!

In the 6 races, we had 4 of our children come in in first place, 5 children came in 2nd place, and 19 qualified for the next round!
