VERY MOMENT MATTERS!

This week's focus was on KINDNESS

KINDNESS IS FREE  
SPRINKLE  
THAT STUFF  
EVERYWHERE

**NEVER FEAR! THE JUNIOR HEALTH AND SAFETY OFFICERS ARE HERE!** - This week, our three newly appointed Junior Health and Safety Officers conducted an in-depth inspection of the school premises under the guidance of our Premises and Health and Safety Governor, Mr Chris Anderson. Having visited every classroom, looked in every cupboard, under every chair and in every corner, there was no area that was left unnoticed by this beady-eyed team. With the use of an ipad, pictures were being taken to record any items that needed replacing or fixing. An excellent first time inspection for this keen group of Junior Officers. Mr Anderson was clearly impressed with how the team took their role so seriously. We all feel much safer in their hands!

From checking testing dates on fire extinguishers to taking note of tidy cloakrooms with no trip hazards—all in a day's work for our Junior Health and Safety Officers.

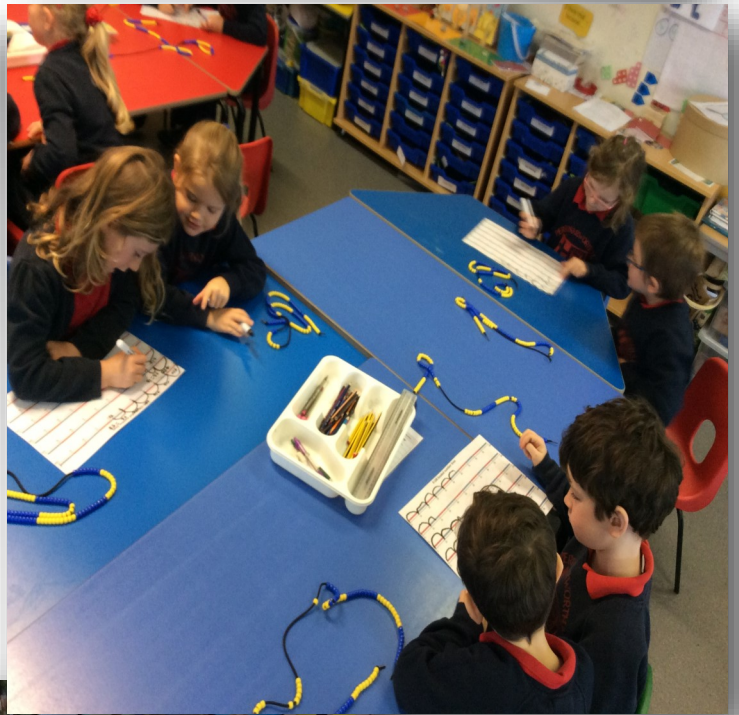

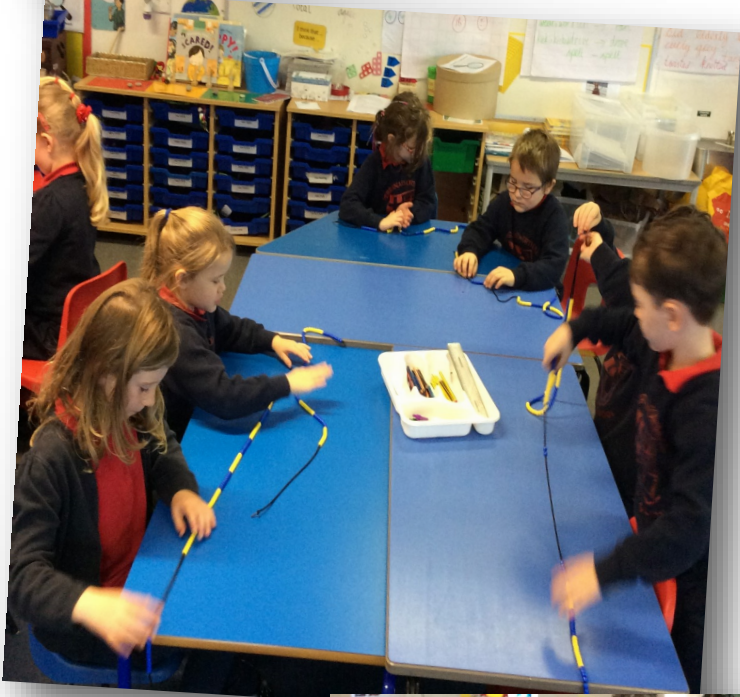

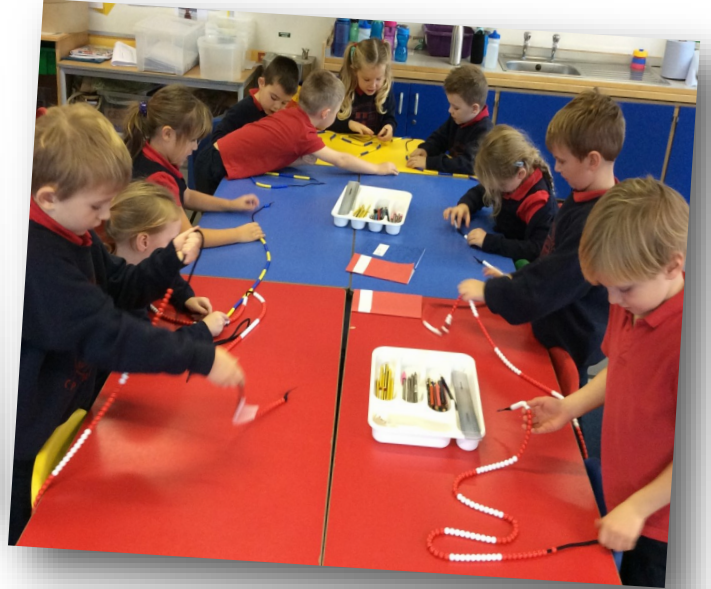

**GYMTASTIC!** - This week, a team of 8 pupils took to the floor at the Penryn Gym to compete in the Penryn Partnership Gymnastic Tournament. Mr Trudgeon, a fully qualified Gymnastic Coach, certainly knew the ropes when it came to offering guidance and support for our PAW team. All took part with confidence and enthusiasm and several returned to school with medals. Well done to all involved! Another very successful sporting representation from PAW school. Thank you also to Mr Teasdale senior, for being our official minibus driver once again.

**ATHLETICS, GYM AND NOW SWIMMING!** - Our pupils have been busy competing in all forms of sport over the last few weeks with swimming being one of the most recent sporting competitions. On Tuesday 19th of November, Mr Collett took 16 pupils from year 5 and 6 to the annual Penryn cluster swimming gala. Overall our pupils came 2nd out of 8 schools; winning first in year 5 girls breast stroke, backstroke and in year 6 girls freestyle. A fantastic outcome for all involved. Well done to our swimming team!

**MASTERING MATHS WITH OUR NEW NEAD STRINGS**—This week the Robins have been working together to solve maths mastery problems using some of the new maths equipment that has arrived this term.

**FRIENDSHIP MATTERS!** - This week, following on from our Anti-Bullying focus last week, the children in Robins have been discussing what makes a good friend and creating a friendship recipe. Not only have the children designed and made a friendship pizza, they also had the chance to eat it! That's a lesson they will always remember. Mrs Teasdale also took the opportunity to fit in a maths lesson on fractions using the sharing of the friendship pizza as a very yummy teaching resource. A great way to do memorable cross curricular teaching of our maths and Spiritual, Moral, Social and Cultural (SMSC) curriculum.

**PRACTICAL SCIENCE IS THE BEST WAY TO LEARN!** - The children in Robins have also been busy in their science lessons learning about the properties of materials, such as hard and soft. After sorting the various materials given to them, Year 2 then did further investigations by testing the hypothesis "Hard materials cannot absorb water". A lot of discussion came from the practical testing of all these materials.

# COME AND SUPPORT YOUR SCHOOL!

On **Saturday 23rd November from 9am to 3pm**

Perran-ar-Worthal school are having a guest stall

at the **Farmers Market on Lemon Quay**

to raise funds for an Emotion Wagon.

Lots of lovely things for sale including decorations,  
many homemade items and gifts.

Please come and support if you can.

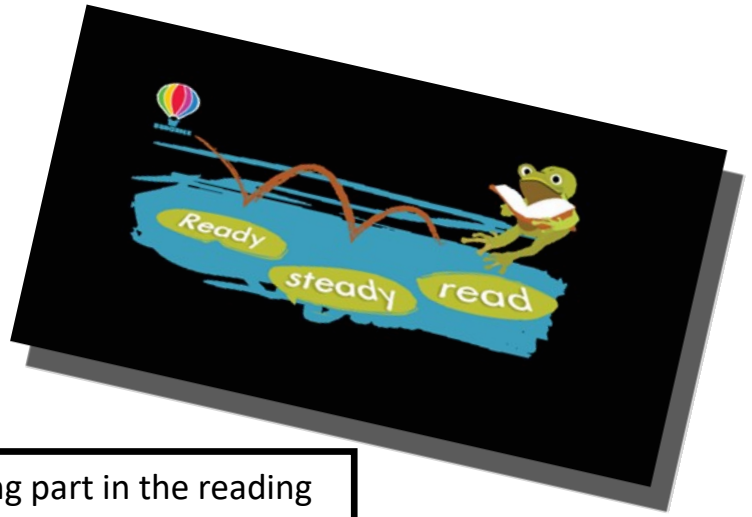

## FESTIVAL FILM NIGHT IS COMING SOON!

**Friday, 6th December**

As in previous years we will be asking the children to chose which film they wish to watch from a choice of three. The form with the film choices will be sent home with the children next week.

# READING CHALLENGE

We hope all the children enjoyed taking part in the reading challenge. It was amazing to see how many children took part and I hope they enjoyed their reading time.

We would like to say a massive thank you for your support and all of the sponsorship money raised which will go towards new books for the school library for all of the children to enjoy.

**A fantastic total of £709.77 was raised!**

The winners of the reading challenge were:

KS1 – Archie Lewis

KS2 – Sol Guimaraes

Well done! Your prizes will be with us soon!

## TEAM POINT WINNERS

Certificates Awarded 19<sup>th</sup> November 2019

**BRONZE CERTIFICATE – 50 TEAM POINTS**

**Eli Guimaraes, Jesse Prentice and Noah Farrell**
