

One day basketball league!

27th March 2026

It was the most competitive league so far this year! The standard of skill demonstrated by these children was impressive as was their resilience. We had 15 enthusiastic basketballers play on two teams for Perran-ar-Worthal on Friday at Penryn College. These children represented themselves and the school well. Their teamwork shone as did their integrity.

PAW 1 and PAW 2 versed some extremely competitive teams from the Penryn partnership. Both teams showed not only high levels of skill but also brilliant leadership, initiative and care and compassion for each other with a lot of humour thrown in. PAW 2 came in 5th place and PAW 1 won the whole event. Tensions peaked when these two teams versed each other for what felt like the longest 8 minutes of the day. It was a very equally skilled match with a score of 0-0 at the end. Both teams attacking incessantly and defending assertively.

Brilliant skill, amazing attitudes and great teamwork throughout. Well done to all of you!

Happy Easter!

from everyone at cross country!
