Cross country superstars!

What a perfect morning for running! Thank you to every single child who commits to attending cross country club on a Friday morning and to all the parents that come and encourage the children by high fiving them and running with them. This was the best session to date, with children showing increased stamina! Thank you to Thora, Mr Richards and Elijah for setting up a great course.

Football Leagues September 2026

I was so lucky to be able to head down to the Penryn astro on Wednesday to watch our team verse two other schools. The first match was extremely intense with Stithians managing to score more goals than us. All of our players fought hard demonstrating amazing football skills and teamwork. Their skills earned them a draw against Mawnan in the second match. Their enthusiasm to play is endless! I would like to thank Mr Arthur for his time each Tuesday after school for coaching the team, your time and energy is very much appreciated.

Well done to all of you!
Miss Davies & Mr Lampard.

Netball leagues!

Our netball squad had three matches on the 7th October and three wins!

Watching their confidence and skills develop over the last few weeks has been amazing. They beat Mylor 8-1, Stithians 6-2 and it was a 2-0 win against Mawnan. Their whole demeanour on court has been respectful, positive and inspiring.

They have won the qualifier and are through to the finals!

**Well done to all of you!
Miss Davies**

Football Competition September 2026 Year 4 girls.

On Friday 16th October, 11 year 4 girls were invited to play in a football tournament against three other schools that had previously won their first round in a previous qualifier. One school could not attend so I took the opportunity to jump in and give our year 4 girls some further match experience. They made me so proud! They supported each other and played enthusiastically, with their skills developing over the 6 matches. Well done to all of you! They showed bravery in defence and in goal and made some very impressive attacks as a team, scoring two impressive goals.

Netball after-school club.

It has been an absolute pleasure to coach our year 5 and 6 girls in 7-side netball. The year 6 girls have won their qualifier and are through to the final in the leagues and year 5 have a tournament next term.

Thank you so much to Katherine and Ember for your help each week. Ember prepared all the equipment and bibs each week and Katherine has been coaching the netball team with me. Your time, energy, enthusiasm and passion are very much appreciated. Thank you!

CHALLENGE YOURSELF TO RUNPUDSEY 2026!

runPudsey is a fun way to get your pupils moving and raising money for BBC Children in Need.

Dear families of Perran-ar-Worthal,

Our school has signed up to take part in the 'Run for Pudsey' challenge 2026. The challenge will run between Sunday, November 1st to Friday, November 13th, 2026. As a part of our daily mile, children will be challenged to complete at least one mile at school and can then further challenge themselves to another mile after school. This will also be supported in our Friday cross country club.

The Challenge: Run, walk, or roll 2 miles a day for 2 weeks to complete a full marathon distance (26.2 miles).

Children can participate individually or sign up as part of the school challenge.

If you would like to sign us as part of the school's challenge, please sign up using the following information:

Our school landing page is:

<https://www.runpudsey.co.uk/school/perran-ar-worthal-community-primary-school>

Our code is: 8365

NB: Please note that there is no pressure to sign up to this challenge, it will be a part of our daily mile during the school day to encourage all children to challenge themselves.

If you'd like to sign up individually, please use the QR code.

DONATE ONLINE

Scan the QR code or head to [runpudsey.co.uk](https://www.runpudsey.co.uk) to sign up for your challenge
