#### VERY MOMENT MATTERS!

"The joy of learning is as indispensable in study as breathing is in running." Simone Weil

www.LifeLearningMagazine.com

So, what have our happy learners been up to recently? Our Robins have been working together using pictures and practical resources to learn how to partition numbers in their maths lessons.

Our Wagtails have been busy making music with a range of instruments—including learning how to conduct their talented and very keen group of musicians!

And in KS2, it has been a feast of scientific enquiry from learning about food labels and food groups, finding out how forces act on falling objects and how blood flows to and from the heart!

And our dear little Puffins have been finding their feet and getting to know each other and their lovely new learning resources.

SEND YOUR RECYCLED MAGAZINE'S THIS WAY, PLEASE! If your child has a subscription to The Week jnr, Science and Nature, Aquila or similar magazine and you are going to recycle them, we are always happy to take copies for the Swifts' library!

IMPORTANT NOTICE! The container for the temporary village store is being delivered on September, 27th. As such, the village hall carpark will NOT be available on this day.

**TABLES FOR SALE!** We have three of these semicircular tables to sell. All three tables are in excellent condition—we just simply do not have room in our school for them anymore. Originally bought for our library, they have been utilised in various locations around the school and have adjustable legs to suit a range of ages from Pre-School to Upper KS2. We will be happy to part with these tables for a donation to the school. They can be bought individually, as a pair or in a group of three. Two can be arranged in a full circle or three can be arranged in an attractive snake formation. Please call the office for more information. Thank you!

#### SCHOOL CALENDAR DATES FOR 2023-2024

Please note that there will be further dates added as the year progresses. If any dates need changing due to unforeseen circumstances, then we will give you as much notice as possible. We will keep you informed of any changes and additions on our weekly newsletter and via dojo.

#### SCHOOL STAFF CAR PARK

We politely request that parents DO NOT drive into the car park to drop off or collect children. This also applies when dropping off or collecting from wraparound as staff members and children arrive and leave at different times. This is for the safety of all adults and children.

- For the School! Help our school raise much needed funds and have a voice in the purchases that are made to support the children and staff.

## **Interested in helping?**

Come and join our friendly team!

There are plenty of ways to get involved: be a class rep, attend meetings, suggest new fundraising ideas, help organise or volunteer at events...

We would love to hear from you!

You can contact us by email on

FOPS@perran-ar-worthal@cornwall.sch.uk or find us in the playground

The objective of FOPs is to enrich our children's school experience by organising fun events both in and outside of school for the children and grown ups as well as creating a social network of members.

> FOPS is run by a committee that is elected each year at the AGM. It is the only formal meeting of the year and is open to all.

Attending the meeting means you can listen to and share ideas on how we can raise money to directly fund enrichment opportunities for the children and improvements made to the school.

As Teachers, Parents and Carers of children at Perran-ar-Worthal, we are all members of FOPS and we hope you can join us at our AGM.

Every penny we raise goes back into our school.

FOPS provide financial support every year towards the whole school trip to Eden, the Reading Cloud, new subject books, sports day refreshments and class trips as well as providing resources for the Grow Zone, Cookery lessons and Forest School. All these wonderful opportunities currently cost £5,000 a year.

Thank you for helping us smash this target which allows us to cover our annual costs and will provide additional resources for our school.
